Friends for Fun, Safety & Knowledge

Chapter Director's Greetings

Chapter M2 September 2017

By Dale Yager

I am writing this article a little early because by the time you read the newsletter Michelle and I will be at Wing Ding-if the storms don't wash us away. We are watching the weather closely as Storm Harvey is racing us to Texas.

As many of you have heard, GWRRR is making some major changes in the coming months. When we decided to take over as Chapter Directors my focus was on GWRRR's original motto "Friends for Fun, Safety and Knowledge". I wanted our Chapter to be more about the rides and friends rather than the rigmarole and politics that all too often come into play. I think with National going back to their original motto it will help the smaller Chapters survive. We needed this change. I know the catch phrase going around right now is "if it isn't broke, don't fix it". I believe it does need fixing and can only hope the changes will help us. Yes, for those that have been around for a while the Wing World is not what it used to be but we still get travel protection with Rescue, the "Gold Book" and other benefits.

For our Chapter in particular, Michelle works Monday through Friday and I work most Sundays. We already dedicate the third Saturday of the month to our Chapter gatherings and rides after the gatherings. As a result we don't have the time to visit other Chapters like many of the fully retired GW members can. We have only 2 or 3 days to ourselves during the month. I try to arrange rides on my days off during the week but it takes a lot of time since we don't have a Ride Coordinator or an Assistant Chapter Director but we plug along. To continue, I will be looking for more people to step up, even if it's just a little bit. Our current staff is all doing double duty and I can't ask them to do any more.

The summer weather has dictated where and when we ride. Our picnic ride was substituted for the Little Switzerland ride due to the heat of the day. We had a pretty good ride that day and one of our new Road Captains, Bob Topper, did an exceptional job. August 21st was our Solar Eclipse ride that Rusti and Jerry orchestrated and they did a great job as well. Ed Spangler, another new Road Captain, got his feet wet (figuratively) on this ride and he too did a fantastic job. We met his temporary co-pilot of the day, his granddaughter, Lacy. We all enjoyed the eclipse together and it will be one of those moments in your life that you will always remember where you were and who you were with. Ken and Karen Weglarz, Betty Kohl, Michelle and I spent a pretty good weekend staying at Iron Horse Motorcycle Lodge. We rode Deals Gap and the Cherohala Skyway. Other than the wet ride out Friday, it was a great weekend.

Good news! We had potential new members at the last gathering; Diane and Bob Redding who we hope are here to stay.

The grand prize raffle ticket sales push is on. I have lots of tickets to go around. Tell your friends and even a few enemies. One dollar can get you a \$30,000 motorcycle. Please contact me for more tickets to sell.

CHAPTER EDUCATOR'S CORNER

Getting Through the Intersection

Want to make it thru the intersection in one piece? Assuming that there are two lanes in each direction then be in the left lane and let the other vehicle start into the intersection first and use him as a block. This assumes that the system dictates that you drive on the right side of the road.

A little delay before you enter the intersection and the blocking action of the other vehicle help give you additional time when the light changes to green. It also helps with the “I didn’t see him” problem inherent with four wheeled people in that intersection.

Now go ride a nice country lane and enjoy yourself.

REFLECTIONS OF THE MEMBERSHIP ENHANCEMENT COORDINATOR

“What’s a Mother to do?” We have all heard this and now let me try to have this make sense to you. We currently have 58 members assigned to Chapter M2. Of these 58 members, six hold positions in the Chapter. These six attend Chapter Gatherings on a regular basis and give their reports.

Chapter Gatherings that started in February with the new Staff have been at a high of 12 to a low of 8 members attending. Of this, six are our usual position holders.

Ice Cream Rides have 2-7 people, usually on the low side.

Cooks Night Out usually has a reservation for 12 with 8 who show up. Six of whom are regulars.

Overnight rides: Renfro Valley had 7 participants and Iron Horse had 5 participants.

Progressive Dinner Ride – 10 participants.

The rides after the monthly gathering usually have six people with a different combination of bikes.

I know nothing is required of members to attend these events that were planned earlier in the year, but, tell me who is benefiting from the time and effort the Chapter Director and his staff are putting in?

The Staff at this time includes: Chapter Director, Membership Enhancement Coordinator, Treasurer/Goodies, Rider Educator, Newsletter Editor, Sunshine Person and Webmaster.

All these positions require several hours each month to fulfill their duties. There are more positions that need people but no one has expressed interest in them.

This article is not a complaint. It is a call to arms to keep this Chapter moving forward. People need to be involved at all levels.

Soon we will be thinking about planning next year’s events. These events are based on suggestions gathered from members wishes and ideas.

This gets back to the original question of “What’s a Mother to do?” We need input and participation at monthly gatherings or contact with Staff members. All of the Staff’s contact information is on the front page of this newsletter.

Please take the time to contribute and participate. This is your Chapter.

Til Next Time,

Ken Weglarz
