Chapter Director's Greetings

Chapter M2 October 2017 By Dale Yager

The season is marching on and we continue to welcome new individuals to our group. Bob and Diane Redding have been on several of our rides, are now official members and we hope having a good time. Last month John Smathers and his daughter Leigh Anne Sullivan attended our gathering. John is getting his bike freshened up to ride again and Leigh Anne is working on getting her own bike as well.

After the last gathering our ride to Joe's Crab Shack had a huge turn-out and I was pleased. The final ice cream ride of the season had 4 bikes but what made it special is that Charles Stevens was able to join us. It's a good thing it's the ride that counts and not the destination as we had to go to the back-up ice cream location as the first location was closed.

We worked our shift at Wings Over the Smokies. Thanks to Jim Seacord, Tom and Vet Vinson, Ed Spangler, Jerry and Rusti Boykin, Ken Weglarz and Karen Newhall for volunteering their time. Not knowing what to expect until we got there, I was glad we had enough people to handle it.

There are only a couple scheduled rides left in the season but there may be some short notice rides coming up. This is what we have planned: Cooks night out (covered in the newsletter) and a ride to the Schiele Museum in Gastonia after our next gathering on October 21st.

We had planned a ride to the North Carolina Rail Road Museum in Spencer on Saturday, October 7th but after further research we determined it would be too long of a ride for this time of the year so we will keep in mind for next year. ***Watch your e-mail for a possible alternative ride for this date.***

Keep Saturday evening October 28th open for a bon fire at the Yager's. Arrive around 6:30 pm and bring a snack/dessert to pass. We hope quite a few of you can make it to this fun event.

Lastly, plans for a Christmas party are in the works. Information will be presented at the next gathering.

It's That Time of Year!

Please wear a hat or some article of clothing that is Halloween related to show you are in the Halloween Spirit to the October Gathering on Oct. 21st!

We will have a little SPOOKY FUN before we hit the road for the ride! That means YOU!!

Watch out for the goblins!

M2 Christmas Party

The Holidays are just around the corner! Chapter NC-M2's Christmas Party is scheduled for Friday, December 1st at the Apollo Flame Restaurant from 6 pm - 9 pm. More details to follow but mark it on your calendar to be there!

CHAPTER EDUCATOR'S CORNER

Practice, Practice, Practice

Practice and confidence go hand in hand. If you don't practice you don't have the confidence to do what may be required in a particular situation. That one situation when you need to perform a particular maneuver that you know you've seen other drivers perform and wonder how they do that is what I'm talking about.

When you look at a drill team and you see the turns they do on a Gold Wing you know it can be done but your confidence is not quite there yet to attempt it. How do they do it? Practice, practice, practice. Start with someone who can give you a little help then practice and improve your skills. This will give you the confidence to accomplish those harder things that make you a more confident driver.

The whole idea is to give you the confidence to be a better driver and impart to you the skills needed to be safer in any situation. And I don't care what anyone says more confidence means more pleasure when driving. Your rider will know when you are more sure of yourself and that makes them feel more at ease.

Now go practice your skills in order to please both the driver and rider.

G. Boykin

REFLECTIONS OF THE MEMBERSHIP ENHANCEMENT COORDINATOR

Here we go again. The end of the year is coming upon us. The season of cooler weather, multiple holidays and less daylight to ride.

The issue of cooler weather is not a big deal these days with the use of electric heated clothing. The wife and I moved down here from New England and still chuckle at the thought of cool weather. We would start out riding some mornings in COLD temperatures, looking forward to the day warming up while we enjoyed our ride. Warm afternoon rides are always great for a quick ice cream and time to get home before dark.

If anyone is interested, I just happen to have an extra heated vest for sale that works great, 2XL for us husky guys.

When it comes to holidays, it is time to start planning your trips and schedule. Holidays are tough, many miles to travel and many directions to take. Those that have family close by need to take every opportunity to visit and spend time with them. For those of us whose families are far away, we will be spending the holidays here at home or with friends we have made.

As you can tell, this month's article is not much more than rambling. Chapter News is pretty much covered by others in this newsletter and nothing new has been released by GWRRR.

Til next month

Ken Weglarz
