Chapter M2
December 2017

By Dale Yager

Well, December has arrived despite my best efforts to keep summer here.

Like every year, we attended the Hendersonville Toy Run after the November gathering. Attendance was a little thin this year as many were either out of town or sick. The weather was pretty good and Bob Topper, Dave Platt and I were able to make the Toy Run. It's always a nice sight when you see the line of bikes and their riders willing to give for others.

In the picture of the Courthouse steps, the Ninja Turtle little guy was very busy at work. As you brought your gift to the steps, he would take it and find the perfect spot to place it. I watched him over and over and he always got it right!

Speaking of Dave Platt, he just got his bike back from having a CB installed. He is now ready to go! My job is to think of places for him to use it next season.

I have gotten an occasional ride in now and again but have been working on some things in the background.

As the Christmas Party will be at the end of the week, we look forward to spending some quality time with everyone!

Many of us are transplants to the area and our families are not nearby. I prefer spending the time with friends to make the holidays feel special and I hope you feel the same.

After the holidays it will be time to get cracking on next season. I plan to enjoy this season a little before getting my head back in the game to see what we can accomplish next year.

Intersections

If you can, enter the intersection with a vehicle on your right. It should be as big as possible. The other people driving usually are not comfortable turning in front of a bus so it gives you a little more protection in this situation because the bus is not something that the normal driver misses.

We two-wheelers are unfortunately less visible. Keep alert when you do this as you may have to take evasive action. You are using the bigger vehicle as a shield. After clearing the intersection move out of any blind spot you were in. Remember if you can't see his mirror he has no chance of seeing you.

Reflections of the Membership Enhancement Coordinator

Tis the Season!

Hard to believe the year is winding down! Hopefully we keep getting some 50-60 degree days so we can keep riding!

Hope to see many of you at the Christmas Party this Sunday at the Apollo Flame. Didn't RSVP? Show up anyway! Will be plenty of room. Join the fun!

We'll be starting the New Year off with restructuring info from GWRRA and will be needing to fill several Staff Positions. Please come to the organizational meeting when it is scheduled as this is your Chapter and we will need to continue to work together in order to grow!

Enjoy the Holidays with family and friends!

Until next time,

Ken Weglarz
