Chapter Director's Greetings

Chapter M2 January 2018 By Dale Yager

Happy New Year!

Now that the New Year is here, I have to get back on the horse and start making plans. At the Christmas party we talked about an "I-Cycle" ride for January 1st but cold is cold! It's too cold for anyone to be on bikes.

I still have a couple positions to address but we are getting there. I will discuss them at the January gathering. If you can still help, please let me know! We will have our January gathering at the J&S Cafeteria on Saturday January 20th, 2018. I look forward to potential new members that plan to come after the first of the year - like Wayne Bork and possibly his son-in law. I met them both at Home Depot on Black Friday. I have taken on working 4 days a week for a while but plan to return to 3 days a week in March. Until then, my time will be a little more limited but it's not riding season yet.

I would like to have a staff meeting/dinner possibly on 1/13/18. Watch your e-mail for details. Anyone will be able to attend, you don't have to hold an officer's position. This is to work out some details within the Chapter for this next season. I think we can set up ride committee in February and still get a great season planned.

On January 27th, the District is holding a District Operation meeting. It is at the Ramada Inn at 2703 Ramada Rd. in Burlington, NC. This is for Chapter Directors, Ride Educators from 2017, MECs, and Chapter Couples for 2018. I believe this is where most of the GWRRA changes will be addressed. There is no requirement to attend but if you hold one of these positions, we hope you can. If you have any questions please ask me.

So, have you seen the new Wing? Honda sure seems to have changed direction. I'm not sure what they are thinking but it definitely is different. If you want to see it in person, Terry Schroeder said they will be getting them in stock the end of January. It's not that I want one but I do want to see it in person. I guess there have been a lot of deposits on them so someone is liking it. Other than long distance traveling (packing space) it should perform fantastic. Many of you don't load your saddlebags like Michelle and I do and don't travel like we do. It should be great for day rides or short trips. If we bring it up it January, I expect quite a conversation.

By now it is no secret that Bob and Diane Redding bought the Zell's trike that I had for sale this past summer. I think they are going to roll up the miles this next summer. I have also heard that someone else is stepping up to a newer 2013 Wing too but you will have to guess who.

Hope to see you all soon!!!!!

REFLECTIONS OF THE MEMBERSHIP ENHANCEMENT COORDINATOR

Happy New Year!

Well here it is—2018—the start of a new year and plans need to be made. Yes this is where the plea for help and ideas from you is once again on the table.

We had a good variety of rides on our schedule last season and hope to be bigger and better this season.

Day trips to anywhere, overnight trips, ice cream rides, special event trips are all to be considered. The where and when is what we need help with. Everyone needs to take the opportunity to suggest something they would like to do or someplace to go.

It would be great to have a list so long that some things would have to be saved for next year. Sound good? Then get involved!

Get to the Ride Meeting in February and be heard. Any suggestions are good but a lack of suggestions makes the task impossible!

Until next time,

Ken Weglarz
