Chapter M2
April 2018

By Dale Yager

Riding season is officially here despite the weather not cooperating. Ride schedule dates have been set with final details to be given as we get closer to the rides.

At this next gathering we will start taking names for our overnight rides. You need to start deciding if you want to be part of those events.

Chapter clothing has been ordered and we hope to have it by the time we start working our fundraiser at Belk. Since the Chapter clothing actually costs more than what we collected from everyone, it is important that we keep the funds coming in. Speaking of the Belk event, Karen has been working to get our coverage dates and times scheduled. Contact Karen if you have not yet signed up.

If you're a Road Captain, we need you to help out with some of the planned rides. I will be able to handle most of the rides but not all of them. Want to help out? Pick a couple of the rides on the schedule and offer to organize and lead them. Remember this is **our** Chapter, not just mine.

One of the upcoming rides will be the "Ride to Remember" which honors lost members of Law Enforcement. Since I am retired from Law enforcement and this is the first time I've known that this type of ride is being held here, I thought we all could take part in it. There will be music, food and drink provided at a cost of \$20.00 per bike. Proceeds will go to "The National Law Enforcement Officers Memorial Fund."

As an added benefit, actor Eric Estrada will be leading the ride. I will admit that as a young man, who always knew he wanted to be in Law Enforcement, I watched "CHiPs" regularly. I hope he draws in more people for the officers.

The ride is Saturday May 12th, 2018 and we will be leaving the Ingles on 280 in Mills River at 7:30AM so we can meet up with Chapter I in Weaverville. We will be leaving there as a group at 8:30AM.

RIDE COORDINATOR

Last month I spoke of team riding. We had a great conversation regarding this and handed out pamphlets explaining “Team Riding”. With new members joining we got some great questions and hopefully gave some good answers. If you have never been involved in group or team riding, I think if you give it a try you will see it is the safest way to ride together as a group. We welcome all to join in.

We also have a First Aid/CPR class scheduled for Saturday April 7th at the Mountain Home Fire Department from 9:00AM to 2:00PM. We still have some room for anyone else to take the class. Cost is \$30.00 per person. Have not signed up yet? Give me an e-mail ASAP at doowing@aol.com.

At April’s gathering we will be talking about riding courses that are available. As you can see, we believe in more than just riding your bike but also learning to be the best riders that we can or “Friends for Fun, Safety and Knowledge.”

Welcome
Spring

REFLECTIONS OF THE MEMBERSHIP ENHANCEMENT COORDINATOR

The weather is up, the weather is down. The mornings are still cool but the afternoons are pleasantly warm. The daytime riding is one hour longer due to the time change so one would have to believe with all this going on that riding season is upon us!

April 1st is always a great sign. This year the baseball season is open, Easter is celebrated and April Fools Day, not one of my favorite holidays, is also here.

April 1, 1950 at 11:01 in the morning my Mother could not hold on til the next day and I was born. Through the years I have heard it all. The jokes, the kidding and everyone thinking any other day would have been better than April 1st!

Well, let me tell you it is just like any other day that you may have been born on. Would you like Halloween, Christmas, February 29th, National Hog Breeding Day, Labor Day? You see they all are just another day and the luck of the draw.

So with this in mind, I thank all who have taken the time to wish me a Happy Birthday and I look forward to wishing you the same when your special day comes about!

As you can tell by my reflections, there is little to report in regards to GWRRA. Chapter NC-M2 is going strong and we are looking forward to a great riding season, so let's get out there and ride.

See you on the road,

Ken Weglarz
