## Chapter Director's Greetings

### Chapter M2 May 2018

By Dale Yager

April is gone and along with it our first ice cream ride that was held on the 27<sup>th</sup>. We had 5 bikes for this ride and there were a couple things that made this a good ride. Bob Topper volunteered to be in charge of the ice cream rides this year. I am thanking Bob as he not only took this responsibility off my shoulders, but he also got his feet wet (figuratively) leading his first ride until his headset quit working. Bob did a great job leading Johnny, Charlie and me running tail gun. For those of you doing the math, that's only 4 bikes. Bike number 5 was Marvin Decker. You ask who Marvin Decker is. I met Marvin at the store at Mount Pisgah last year. He and his wife are temporary local residents and I had put him on our e-mail list. I also spotted him at the Meltdown on Saturday but did not get to talk to him. Welcome aboard. BTW nice ride.

By the time you read this, the Belk charity shifts are almost over and I am so pleased with the help we got from our members this year. I would especially like to thank Karen Newhall for introducing this opportunity to us as I really don't know how we would have raised funds any easier. Kudos to all involved!!

Chapter clothing has been divvied out to all except a couple people and I have been approached about our next order. I will be looking for a volunteer to take over the clothing order now that we have it all set up.

If you're a Road Captain, we need you to help out with some of the planned rides. I will be able to handle most of the rides but not all of them. Want to help out? Pick a couple of the rides on the schedule and offer to organize and lead them. Remember this is **our** Chapter, not just mine.

The "Ride to Remember" which honors lost members of Law Enforcement is set for May 12<sup>th</sup>. We will leave the Ingles on 280 in Mills River at 7:30AM so we can meet up with Chapter I in Weaverville. We will leave there as a group at 8:30AM. Recently the loss of Officers has been dramatic. Wearing the uniform is making them a target just for being them. Most of the public doesn't socialize with Officers but trust me, most all do the job for the right reasons, the good of the community. I wish to give them my support and I hope you can join in. There will be music, food and drink provided at a cost of \$20.00 per bike. Proceeds will go to The National Law Enforcement Officers Memorial Fund.

I will need to know if you plan to go on any of the following rides:

- Mount Airy weekend event July 13-15. (Need to sign up for this)
  - Progressive Dinner ride August 4<sup>th</sup> (Need to sign up for this, cost \$5.00 per person in advance)
  - Barber Motorsports weekend September 7-9. (Need to sign up for this)
- Please send me a quick e-mail and we will get you signed up on any or all.

## RIDE COORDINATOR

Rider safety is paramount to me and most everyone I know that we ride with. Borrowing from the Army's slogan "be all you can be" doesn't mean being the best but doing your best. Why? It should make us feel safer riding with each other.

What makes me feel safe is knowing that others make an effort to do their best by either taking a riding class or even sharpening their skills in a parking lot. There are video tapes available to view and afterward you can practice what you learned. When we moved here I thought I was a good rider. Some of the seasoned mountain riders showed me I had more to learn. I did learn.

Rider safety means much more than just getting to our destination. The speed in getting there is not a factor. I never want anyone riding above their comfort level. Our trained Road Captains keep an eye out to see that everyone is ok.

For our 2 wheel friends the Blue Ridge College offers a MSF class that you can take. There is a fee but it's worth the knowledge and skills you gain. I take it every 3 years to keep my skills sharp.

<http://blueridge.edu/continuing-education/personal-enrichment/motorcycle-safety-courses>.

Another option is to take the Bike Safe class held by different Law Enforcement Agencies. This class is free. <http://www.bikesafenc.com/>.

They each have their own benefits.

## REFLECTIONS OF THE MEMBERSHIP ENHANCEMENT COORDINATOR

Greetings from the Other Half of the MEC Team!

A BIG Thank you to everyone who volunteered to work the mall for the Belk Charity Sale! We had sixteen M-2 members who put in a lot of hours for us! Even the guys put in their time! An easy way to raise money with little effort when everyone pitches in!

Next up is the Tourist Baseball Game vs Greenville on Tuesday, May 22nd. Game is at 7:00 and gates open at 6. We have twenty seats reserved behind Home Plate. Tickets are \$9 each. (Senior Discount of course) Please let me know if you want to go. You can bring family & friends with you. First come, first served! Cut off is May 19th.

Please Email me at [newlarz@yahoo.com](mailto:newlarz@yahoo.com).

Hope you like riding to Saluda as we have three events there this Summer! The Joint Nagy Picnic with Chapter I will be downtown, Cook's Nite Out is at Green River BBQ in August and the main meal of the Progressive Dinner Ride is in the hills of Saluda at the Lewis' house! We have lots of curvy, winding roads for you!

Be Safe out there! Hope to see you at the next gathering with a nice ride to Strawberry Hill afterwards!

## A Thrill Ride through Motorsports History

Where else in the world can you see 900+ mint-condition motorcycles on exhibit at one time? Nowhere. The Barber Vintage Motorsports Museum is recognized by Guinness World Records as the world's largest motorcycle collection. With over 1,600 motorcycles spanning over 100 years of production, the Barber collection represents 200 different manufacturers from 20 countries. Showcasing the unique design of each individual piece, this epic display reveals the fine art of the motorcycle. But that's not all. The museum also features the world's most extensive collection of Lotus cars, plus an assortment of rare, celebrated cars.

## **Barber Museum Ride Sept. 7th-9th, 2018**

Join us for a ride to the Barber Motorcycle museum on the weekend after Labor Day. Leaving on Friday September 7th, Museum visit Saturday September 8<sup>th</sup>, return home Sunday September 9<sup>th</sup>. <http://www.barbermuseum.org>.

We have set up for a guided tour for our group at 10:00AM on Saturday. The tour is approx. 2 hrs long. Cost of the Tour is \$17.00 per person which includes admission and the tour guide who can give you in depth information on both the bikes as well as the museum itself.

For those that might want to do some sightseeing beyond that and we have 15 people we can set up for a group rate to the Birmingham Zoo. <https://www.birminghamzoo.com>.

Even though this is planned as a motorcycle ride event, if you can't make the trip by bike but wish to tag along by car you are welcome.

I have reserved 8 rooms at the Red Roof Inn, Birmingham South at 1466 Montgomery Highway, Birmingham, Al 35216 For Friday and Saturday nights for a cost of \$159.58 for both nights, tax included. All rooms are King Size beds, non-smoking rooms.

**Last day to sign up will be August 15<sup>th</sup>, 2018.**
