Chapter Director's Greetings

Chapter M2 November 2018 by Dale Yager

Riding has been a rare event lately and if you have gotten in a few rides chances they probably weren't pre-planned but rather spur of the moment rides. The ride planned for after October's gathering got canned as again early rain prevented it. A few of us did get out later in the day after the weather cleared for what turned out to be a nice ride.

Future events include cook's night out on November 1st and on November 3rd is our annual bon fire that Michelle and I host to close out the season. We are located at 112 Mountain Place in Hendersonville. It will start at 7:00PM. We ask for some type of dessert to pass. You may want to bring a chair or two. This is a fun get together where we get to know everyone a little better. If you have not yet signed up, please plan to do so by sending an e-mail to doowing@aol.com. If you have a significant other who does not ride, they are also welcome to come and join in. Looking ahead to the weather forecast, it should be a nice night.

Our next gathering will be November 17th, eat at 9:00AM, gathering at 9:30AM. Immediately after our next gathering we will be riding in and supporting the 21st annual Henderson County Toy Run. We will be leaving J & S Cafeteria after the gathering and riding as a group to the Bill Moore Park (formerly Fletcher Park). Registration is from 10:00AM to 1:00PM. If you are not attending the gathering it is suggested you meet us at J&S so we can be grouped together in the ride. The cost is either \$15.00 or an unwrapped new toy with a value of \$15.00 or more. There will be door prizes, a 50/50 and T-shirts for sale to support this effort. A BBQ lunch is provided. All proceeds benefit abused and neglected children of Henderson County. We are a caring and giving group and this is certainly a worthwhile cause.

Christmas party!! Haven't signed up for the party yet??? In the words of the famous philosopher Larry the Cable Guy "Get R Done". You can sign up either through me at doowing@aol.com or Rusti Boykin at RBwings@yahoo.com. **This is in place of a December gathering.**

The Date: December 15th.

The Time: 6:30 PM

The Place: Bay Breeze Seafood Restaurant

1830 Asheville Highway, Hendersonville

We will be ordering off the menu.

Please bring a wrapped gift valued around \$15.00.

If you are planning on attending please RSVP myself or Rusti **NO LATER** than Dec.10th. We must give the restaurant a good head count.

Another e-mail will be sent closer to the date but please mark your calendars **NOW!**

The last event on our calendar is another charity we support this time of the year. The J Iverson Riddle Developmental Center. This is a State run facility for severely physical and mentally challenged residence. As of yet I do not have any information from the District about this event which is usually held early in December. We have decided to support two residents this year. Rusti just started getting information on the individuals we are supporting. We will have more information at the next gathering.

We will be looking for a ride committee after the first of the year to plan most of our next year's events. Have some ideas, new or old, we can look at them all. We will be looking for at least one overnight ride as well as day rides and events to ride to. Believe it or not it is not too soon to get started.

I will be looking to get a few more of you certified as Road Captains in the spring as I see where some of you have the right stuff to be one. There aren't any refresher classes that need to be taken once a Road Captain. When you become one you can be sure you have had the best training to lead a group.

As this riding season is winding down with only a few more scheduled rides there may be some unannounced rides so watch your e-mail.

NC M2 HAPPENINGS

RIDE COORDINATOR

As I am writing this article I had let people know that we are in need of a Ride Coordinator for next season. Is a Ride Coordinator responsible for leading all rides and planning them all? No. It is someone who can help coordinate the rides, taking that responsibility from your Chapter Director. It helps prevent burn-out for the Chapter Director who is trying to handle it all, and believe it or not this is an issue. Maybe you don't yet have the qualifications to be a Ride Coordinator, we can work on that. Please help me out and let me know you are ready to help.

When was the last time you looked? I am asking about the T-Clock. As we are slowing down for the season time should not be an issue and you can develop a habit making it quicker and easier during the season. Never assume your tire pressure is close to correct, it might surprise you. A nail can cause a slow leak as well as a cracked valve stem. A soft tire changes the way the bike handles, especially in the curves and last I looked, we ride them every day. Get down and look them over.

REFLECTIONS OF THE
MEMBERSHIP ENHANCEMENT COORDINATOR

Well here we are, the 2018 riding year is coming to an end. There is one more monthly gathering and our Christmas Party.

Keep in mind that all Chapter members are welcome and if you have not been able to attend gatherings, rides, CNO's and other events this would be a good opportunity to meet the group and get involved! The Christmas Party details are elsewhere in the newsletter.

Take a moment to assess this past year. Enough rides? Events? Involvement? Come January – February there will be a committee formed to compile ideas and suggestions for next year's activities. If you have ideas for places to go and/or things to do, jot them down and get them to the committee. Everyone's contributions are what will make this Chapter thrive!

Also, I have mentioned this before, there are positions open on the Staff. Please do not make a few willing members do all the work. Anyone can contribute in some way. Contact Dale or any Staff member if you have questions.

For now I will leave you with the hope of seeing you at the November gathering, definitely at the Christmas Party and looking forward to your ideas and contributions to the Chapter.
