Chapter Director's Greetings

Chapter M2 February 2019 by Dale Yager

By the time you read this, January will be a cold memory. One more month of cold and hopefully we will be back to riding often. Ken and Karen did a fantastic job at the "I Cycle Ride" on January 1st. Can you believe it was warm and dry? With lunch at Binions and a follow-up ride to Point Lookout Vineyards it turned out to be a great winter riding break.

Our first gathering at our new location seemed to work out great. We had several visitors and nearly packed the new room. Amongst the visitors was the new Assistant District Director of the West, Clyde Alexander. Clyde installed our new Assistant Chapter Directors, Bob and Diane Redding. Bob and Diane are also remaining as our Chapter Couple for one more year. Frank Pizzardi volunteered to help with the Ride Coordinator position and we will be working on getting him up to speed to make it official.

If it's been a while since you have been to our website, Bob Topper has been working on improvements to it. He has created links to sites for general motorcycle information, where to buy parts, and the Blue Ridge Parkway. We have linked to the video that was made for members Scott and Debi Garrett who bought my 2008 Wing. It's definitely worth the watch.

Even though I am looking at a tremendous amount of things to do to get ready for this riding season, having more people involved gives me a great deal of hope for this season. A sincere thanks to those who are helping. We just need to give Mother Nature a position and maybe she would be more sympathetic this year.

We will be having our second tour meeting on Saturday 2/9/19 to take the ideas that we hashed out and start putting them down on a calendar. Weren't able to attend the first one? You're still invited. We are trying to schedule rides you would want to go on and we need to hear if you like our ideas. The meeting will be at the Yager's residence starting at 6:30PM.

The tickets for the Flat Rock Playhouse presentation of "The Beatles and the Eagles" have been bought. We will be attending the 2:00PM show on Saturday 2/16/19 at the playhouse in Flat Rock (Not the former downtown Hendersonville location). We do have one single ticket still available. If you are interested, the cost is \$30.00. Contact me for the ticket. Yes, this is the same day as our next gathering.

While at the District Officers Conference last weekend, we were given this year's "Wings Over the Smokies" grand prize tickets. This year's bike is a red 2019 Honda Goldwing Tourer DCT model. That's right, the high end automatic bike. We will be working to get the tickets ready to divvy up at the February gathering. They are still \$1.00 each. All of you did such a great job last year I am sure we can do it again especially with such an early start.

Chapter NC-M2 members; you want a free North Carolina state motorcycle inspection? How do you get one? If you are a member of Chapter NC-M2 and attend 3 gatherings a year starting in November 2018 then you can get a card from me for a free inspection from Schroader's Honda in Hendersonville. One per family per year. We are working on yet another perk if you attend more monthly gatherings as well. Stand by!

RIDE COORDINATOR

Things are in the works! I mentioned we are putting the rides together for this year but there is more to it than a date on the calendar. This is where a ride committee and a coordinator come into play.

I have been in contact with the Blue Ridge Community College to see when they will have MSF classes available to sharpen your riding skills. I will have that information soon so you can make a plan to attend with me. In addition to that, I had requested a Road Captains class to get more of you certified as Road Captains. At the District meeting it was announced that we will be hosting one on Saturday April 20th after our gathering. We have the date and committed instructors, Tom and Carol Scully, but I have yet to finalize the details of where the class will be held but rest assured, we are having it. Nearby Chapters are also invited to attend. More on that as it develops.

I had been asked about the levels program that GWRRA offers and we talked about it at the January gathering. For those of you that are interested, the above MSF course can qualify you for a level II and if you took the Medic First Aid class last year you qualify for Level III. This can get you more patches for your vest. (http://www.gwrranc.org/index_files/REPLlevels.htm)

Don't have a vest yet? So far we have re-circulated 4 vests of former members back into service. I'm still looking for other former members who might want to give up their vest but you can still build your own starting from scratch. The vest tells the tale of not just belonging to the organization but all your qualifications as well.

REFLECTIONS OF THE
MEMBERSHIP ENHANCEMENT COORDINATOR

Well, if you missed the January Chapter Gathering you missed a humdinger! Held at the new location with a full house of members and guests.

One of the highlights of the gathering was the introduction of our new Chapter Mascot - M2. The purpose of M2 is to create more fun and unity in the Chapter. It is hoped that whoever becomes a caretaker will feel the need to attend more Chapter functions and share in the fun.

Below is a list of ideas we will be working with to insure fairness with the handling and care of M2.

M2 likes to attend all Chapter functions: Chapter Gatherings, Cook's Night Out, all rides and any planned events.

M2 will be cared for by a Chapter member from gathering to gathering. The sign in sheet will be used to assign a caretaker. There will be a number drawing at the gathering and the corresponding sign-in will be the next caretaker. M2 may be accessorized by the caretakers. Examples - hats, vest, pins, patches. M2 may be taken on vacation by caretaker or other Chapter members with arrangements made between members. Pictures while on the trip will be needed.

The M2 Mascot will be used by the M2 Chapter ONLY! We will not participate in the District Mascot Games.

We thank Gerry Boykin for being the first gracious caretaker of M2 and hope everyone else is as enthusiastic!

As always,

Ken Weglarz
