Chapter Director's Greetings

Chapter M2 June 2019 by Dale Yager

As 8 bikes lined up for our May's Friday night ice cream ride, Karen reminded me of my article that is due. Oh crap! Besides the days I was at work, I have been focused on helping a friend with some service work to his bike and other friends getting prepared for the upcoming MSF class on Sunday, June 9th and the ice cream ride.

It was a great choice for a location, The Ice Cream Barn in Columbus. Thank you Bob Topper for the destination and thank you Ken and Karen for the fantastic route. So here I am writing with a belly full of hot fudge sundae and a little of Michelle's Moose Tracks.

There are changes taking place in our calendar. The trip to Chattanooga, TN has been canceled. Even though the ride committee thought it might be a good destination to all sorts of attractions, the timing may have been bad for everyone.

We had our first bike night at Outback Steakhouse in conjunction with Schroader's Honda which I think went real well. We sold about 50 raffle tickets, met a couple of our members who we had not met before, had a great meal and good time. "Let the good times roll." Oops, I can't say that. Sorry Kawasaki. The next bike night will be at the same location (Outback Steakhouse) on June 18th at 6:00PM. Courtney at Schroader's is then taking it on the road. July's destination is still being finalized. In August it will be at Schroader's Honda dealership. Courtney is hoping to have a band on hand but I think that is still in the works. Come out and join us for the fun, food and friendship!

For those of you who have helped with the J Iverson Developmental Center at Christmas time, we have a ride to that location on Friday, June 7th to get a private GWRRR tour of the facility. We will be leaving Ingles in Mills River on Rte. 280 at 11:30AM. This is in Morganton. After the tour we can swing over to visit the Hillbilly Hoedown being hosted by the Forest City, Wilkesboro and Morganton Chapters. Please e-mail me if you are going on this trip!

We will have a guest speaker at the June gathering. Our Chapter had chosen Safelight here in Hendersonville as our local charity for the past two years. We will have a guest speaker from Safelight to let us know all they do for the local community.

First Bike Nite at Outback

Fantastic turn out for the first Bike Nite! Schroader's & Outback did a great job! Bikes & riders of all makes and ages! Guess who won the 50/50? Our own Bob Topper!! Come join us at the 2nd Bike Nite Tuesday June 18th!

Bob & Diane Redding
ASSISTANT CHAPTER DIRECTORS
CHAPTER COUPLE OF THE YEAR

Boy what a great month it's been! Lots of good weather which means a lot of great riding experiences. Diane and I captured the COY plaque twice this month and enjoyed attending other chapters and meeting more Goldwing riders. We're always amazed at all the experiences we hear about from the extremely friendly people we meet at these meetings. Good food and new friends are always the reward we get for going to the meetings, as well as giving us another place to ride. If you aren't visiting other chapter meetings you should give it a try, it's always fun and a great way to spend time with others that share our passion for riding and fellowship.

We had a great time riding with our Chapter to Mount Mitchell this month and enjoyed the fantastic weather, food, company, and sights. The food there was delicious so if you need a destination sometime than head for the restaurant on Mount Mitchell, you won't be disappointed in the ride or the food. After that ride on up to the top to get a fantastic view!

I had a great time on the men's ride through Virginia. Four days of riding and enjoying the food, sights, and company. If you haven't been on this yearly ride you should give it a try next year! Johnny Johnson led the ride last year and this year and did a great job. If you know of a four day ride with some interesting things to see and do along the way, let Johnny know. He wants to let someone else show off their favorite places and sights next year.

Dale helped the riders from our Chapter improve their riding skills by teaching us the proper way to do "figure 8's" at the college one evening. I'm very glad I attended because I am much more confident in my slow speed maneuvering now. The technique was not one I would have figured out on my own. The advanced rider course is coming up and I feel much more confident about passing it now. Thanks Dale for taking the time to help us improve our riding skills!

LETS RIDE!!!

REFLECTIONS OF THE
MEMBERSHIP ENHANCEMENT COORDINATOR

Well, here is the question on everyone's lips—"Where is M-2 hiding?" Hope he gets back out on the road and attends some upcoming events!

June is showing as another busy month with many activities for Chapter members to choose from and attend: Cook's Night Out, visit to J. Iverson in Morganton, monthly gathering with a guest speaker and a Mystery Picnic Ride, Bike Nite at Outback, Asheville Tourists Baseball Game and Friday Night Ice Cream Ride to close out the month!

It doesn't happen as often as we would like, but I would like to take the opportunity to welcome a new member to Chapter M2. Keith Mort attended our last Chapter gathering and liked what he saw in us as a Chapter. By the end of the meeting he joined GWRRA and NC-M2 as his chapter. So when you have the chance to run into Keith Mort make sure to give him a healthy Chapter Welcome!

Last chance to sign up for the Tourists Ballgame. Tickets are still available. Bring a family member or a friend. All are welcome!

I find it very strange when I talk to Chapter members that do not have a clue as to what is happening during the month or when. The newsletter contains all this information and is put out so you have all of it in your hands. Use it wisely!

See you soon on the Road!

RIDE COORDINATOR

For the last time! I have been your Chapter Director and Ride Coordinator for 2 ½ years.

At the June gathering Frank Pizzardi will be installed as the new Ride Coordinator by the District Ride Coordinator, Jimmy Quick. Frank has been working at getting all the qualifications for this position and will be ready. One of the things a Ride Coordinator must be is a Level 2 in GWRRA's rider education program.

At the June gathering I will have paperwork for everyone to fill out for the correct levels program you qualify for. Level 1 is a commitment to safe riding. For level 2 you must have taken a motorcycle course like the MSF course we are taking next week. For those taking the MSF class you can sign up at level 2 but if you also took the First Aid/CPR class last year you can qualify for level 3. Bring a copy of your First Aid/CPR class and MSF class cards to the gathering to send in to the District Rider Education Program. There are small fees for the patches that you qualify for. If you have questions, please see me or our new Coordinator, Frank for information.

Ever seen leather spaghetti? This is what I recently found in an air filter. These are all leather tassels. How they got there is a total mystery!

Happy

Day! 🍷🎁
