Chapter NC-M2

December 2021

**Our next Gathering is scheduled for
Saturday, January 15th, 2022
Eat at 9 a.m. and meet at 9:30 a.m.**

**Golden Corral
2530 Chimney Rock Rd
Hendersonville**

**Merry
Christmas**

Friends for Fun, Safety & Knowledge

Director's Corner

Rusti Boykin

As we head into the holiday season, I hope everyone had a grand Thanksgiving with family and friends. If you traveled I hope you had a safe and uneventful trip. Christmas is just around the corner and there is much to do.

We have received an early Christmas gift from our District Directors, 100% of all North Carolina's chapter charter fees have been paid, this is a big financial saving for our chapter. Thank you to Glenn & Joy Kennedy for their generous support.

The J.Iverson's Gifts on Cycles has been cancelled however I will be taking gifts to our two residents this week along with a check for the center.

Don't forget that we have Cook's Nite-Out on Dec,2nd at Mike's Pizza & Pasta, also Chapter M2's Christmas Party is the 18th of December at Bay Breeze restaurant at 6 PM, remember to bring a wrapped gift (\$15) and your best holiday cheer.

There will be much to do in the new year, Dale is working on a date for the ride planning. I will be having a staff meeting before our monthly gathering on January 15th, I am looking forward to a great new year of rides, fun and friendship.

M2 Happenings in November

Cook's Nite Out at Calverts! M2 is ready for Turkey Day!

Awesome sky on the way to the bonfire! Great time around the fire at the Yagers!

From the Top Reflections of the Membership Enhancement Coordinator

This year really seems to have gone by pretty fast. We have a lot to be thankful for and happy that some things are getting back to some sense of normalcy. Especially with regards to getting together and riding. Remember, it wasn't that long ago that we wouldn't dare go for a longer ride considering you didn't know what would be open and where you could even get gas or use a restroom! I'm still not sure which one of those would be most important, haha.

Early in November, we held our monthly Cooks Night Out at Calvert's Kitchen in Columbus. What a fantastic place that really took care of us in their back room. Another big thanks to Ken & Karen for introducing us to a wonderful eatery!

On the 6th we were once again invited to the Yager's for the Annual Bonfire get together. Lots of food, drink and friendship! Not to mention fire and warmth. It actually wasn't as cold as some past bonfires, and even the wind stayed away. What a terrific way to bring the year to a close, for the most part. Thanks Dale and Michelle for opening up your yard (and home) to the group!

The weather gods have been REALLY good to us for our Hump Day Rides, so the year hasn't really come to a close, as far as riding is concerned. We've been taking advantage of the weather and great road conditions (dry and with scenic leaf colors) all month and have found some great destinations and routes to incorporate in our future ride schedules. It even looks like we're going to be able to continue riding into December, and at the very least, meeting for breakfast at Pop's Diner.

Our Monthly Gathering was back at Golden Corral for the first time in a long time. We had 19 chapter members in attendance, even with the very cold start to the day. Afterwards we had 7 vehicles participate in the Henderson County Toy Run, including Brian's new Slingshot, Kelly's Vanderhall, and Ed's new Ural with sidecar! Thanks to everyone for coming out to support the kids of Henderson County's Foster Care program.

Remember that we do have CNO on Thursday the 2nd at Mike's Pizza & Pasta. Also, I look forward to seeing everyone at our Chapter's Christmas Party at the Bay Breeze on December 18th. We don't have any scheduled rides for December, but we will take advantage of nice Wednesdays, if we can. Please have a very Merry Christmas and Happy Hanukkah.

Here's to Warm Riding!

Hump Day Breakfast Riders

Looking for some middle of the week riding opportunities?

Starting Wednesday, September 8th we will start meeting at Pop's Diner, every Wednesday, which is located across from the Hendersonville High school. Breakfast at 9:00am with ride to follow around 10:00am. Open to all members and all destinations to be decided; can be impromptu ride or something planned. You can even ride to get together, eat breakfast then ride back home if you like.

They offer both indoor and outdoor seating.

Stop planning Dr. appointments or any other events for Wednesday and join up.

M2 Christmas Party

Saturday - Dec. 18th

6:00 p.m.

Bay Breeze Seafood Restaurant

1830 Asheville Highway

Hendersonville

Order Off the Menu

Will be in a private room

Bring a \$15 gift for
the Gift Exchange

Social Distancing & Masks Recommended

Dale Yager
Ride Coordinator
November

It didn't seem like I rode very much this year but when I think back to all the rides I went on, it really was a lot. I think overall we had a really successful season. We went to interesting places, rode some really fun roads, gained some new members as friends, rode with old friends, and had some great meals. I'm looking forward to the same for next year. Some things have changed but that's ok too. We have expanded our horizons. Certainly for the most part we are a Goldwing group, but we also have Harley members, Ural members, Valkyrie members, Vanderhall members, and now Slingshot members. If you see our members with their unique choices ask about them. I'm sure they would love talking about their ride choices just like I do about all things Goldwing.

As far as riding events for the remainder of this calendar year we have only the I-Cycle ride which is always on January 1st. It will be at Binion's in Hendersonville. The time is set for 12:30pm. For this event, we meet at the restaurant and if the weather is good enough we take a short ride after lunch to a destination yet to be determined.

Hump day breakfast ride: During the winter months (December, January and February) we will be watching to see if the weather will cooperate. My basic rule is that I won't ride below 35 degrees. Yeah I know, I broke that rule last week but the temperatures really went up during the day. We will still post in e-mails and on Facebook if there is a ride taking place. All are still welcome for breakfast together at Pop's Diner on Wednesday's at 9:00am regardless of riding.

Speaking of the hump day rides, last month I mentioned the lunch we had at Checkers being mediocre. We had a ride over Paris Mountain on a Wednesday ride since then and ate at a place called "Lil' Rebel Family Restaurant" in Taylors, SC. They get two thumbs up from me. The parking lot was great for motorcycles and the atmosphere inside was a great 50's vibe. We were seated right away and waited on just as fast. They delivered everyone's meal in a surprisingly short time. The cheeseburger was something to brag about and the prices were great. Even the staff was top notch. Couldn't ask for a better stop. Would I stop there again? You betch ya!

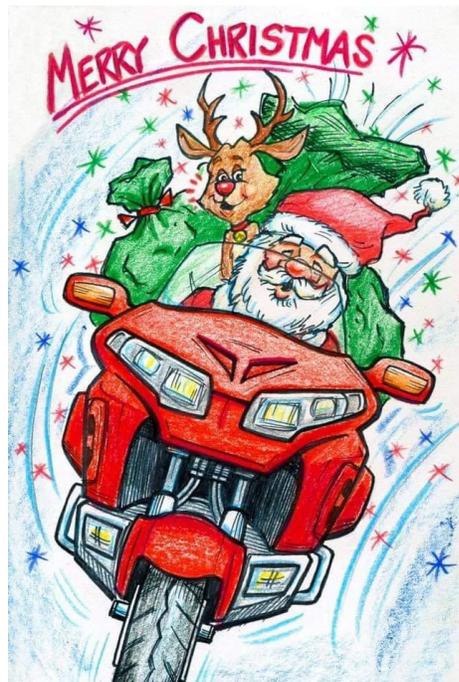

Henderson County Toy Run: I would like to thank everyone that took part in this great event.

Upcoming event: Typically in January after we relax from our holiday rush we start setting up our next season schedule. We want several people to be part of the tour committee so all the planning doesn't fall on a few members who already do too much. If you can, please be a part of the committee! If you can't, we are always looking for ride ideas to plot out on the schedule. We like short rides, long day rides, rides to special events taking place, special locations that may or may not be motorcycle destinations. We are looking for long distance suggestions for a possible long weekend ride. We want something to fit everyone's idea of riding.

Tech tip: Rattle, rattle, and rattle! I first heard a rattle in my bike's front end when traveling over some pretty good bumps. When I got home I checked that all the fender bolts were tight. On the next ride I heard the same thing, only before the ride was over it started rattling a lot more. Come to find out, the back half of the front fender had broken 3 out of 4 tabs that the side covers bolt directly into. I did do a temporary repair which took care of the rattle. The moral of the story is; if something doesn't sound right, turn up the radio. Ha, I meant to say inspect it closely.
