### Chapter NC-M2 July 2020

By Dale Yager

The month of June was an average month for motorcycle events at best. We did get a few rides in but it seems like nothing will go as planned. We were able to pull off tech day where we did get Frank's air filter changed but we're still unable to have Cook's Night Out. The M2 cookout was a great event hosted by Ken and Karen and we did have quite a few members attend but many are still concerned about getting together in large groups. Great job Ken and Karen! We had a pre-ride for that event and the ride on that day. Between the two of them quite a few got to see some great countryside and twisty roads.

On the last ride after our Chapter gathering we did have a riding event occur. This will bring our attention back to what to do if there is an event and how to handle it as a group.

Many of you know I had my brother up from Florida to spend some time with him. Things didn't go quite as planned but we still had a great time together. I also met some of my motorcycle riding cousins I had not seen since I was a little boy (quite a long time ago). I will have some stories to tell!

Bike Safe NC is still in the plans. Myself, Bob Topper, Frank Pizzardi and Dave Platt will be taking the class in Fletcher on 07/10/20 (2 positions still left). For those that are going to this, please plan to be at Ingles in Mills River at 8:15am to ride together to the Police Department in order to be there on time as the start time is 8:45am. Registration deadline is 7/9/20. http://www.bikesafenc.com

Our next gathering will be held outside at a park where we will be able to host up to 25 people. We will not be meeting at Golden Corral in July as they are still not open. Our gathering is July 18<sup>th</sup> with time and location to be finalized soon. Watch your e-mails for the latest updates. The schedule listed a ride to the restaurant at Mt. Mitchell however after checking websites we found that they are not open and all the picnic areas on the Parkway are also closed. We will have to substitute yet another ride instead.

Throttle Therapy bike night will be taking place one night only after Music on Main had to make many changes to their schedule. Throttle Therapy will be held on Friday, September 11<sup>th</sup>. We will need to be there around 5:30pm to get set up. I will be having more discussions with Courtney about what we need to do. Please check out the revised schedule of events printed in this newsletter for some changes that have been made.

When we do finally get to ride together, we will still use "social distancing" and we suggest that you wear a mask until further notice. This virus will not magically go away. We still need to be on the safe side. If you choose to ride, be careful and stay safe.

# SHIP ENHANCE MENT

# From the Top Reflections of the Membership Enhancement Coordinator

I certainly hope that everyone is staying healthy and safe, and that our wonderful Chapter M2 family will soon be able to enjoy each other's company in a manner that we are more accustomed to. Your chapter leadership, as well as others, are trying their best to come up with things to do and places to go that will not only be within social distancing guidelines and keeping everyone safe, but also fun and enticing. As you can see from our years' ride calendar, it has been pretty beat up, but we're trying to provide everyone with options.

Dale, once again, hosted a Tech Day for our chapter at his home workshop. I'm sure by the time I end up with an 1800, having attended enough Tech Days, I'll be able to change my air filter with my eyes closed. (NOT) We had a nice turnout for the ride and cookout in Saluda at Ken & Karen's. Thanks again for doing SO much and opening your home & yard to all of us!

With Dale being very quick to react to some unfortunate circumstances, he sent emails, texts, and made phone calls to redirect the chapter to come to his home and yard for our first Monthly Gathering to take place since February. Our park option went by the wayside when the Park & Rec Department opened up the ball fields for play on the same day we hoped to utilize on of the pavilions at Jackson Park.

After the gathering, we all ate our "picnic lunches" and then most of us took off for a ride towards Strawberry Hill for some ice cream. Unfortunately, we didn't quite make it to our destination, for reasons I'm sure you'll read about elsewhere. I will say, that I had my 12 year old granddaughter along for just her second ever motorcycle ride, and she had a BLAST! Her first ride was about a week earlier. I've got a new riding partner whenever she's in town, for sure!

We did finish the month with just our 2<sup>nd</sup> Ice Cream Ride of the year. Again, we had another nice turn out and some decent weather, although we did get to experience a little sprinkle along the way. It is obvious that many of you want to get out and about, and believe me, you're not alone. If you have any other ideas for smart destinations and rides, let any of us know. I look forward to seeing even more of you this coming month!!

Happy 4<sup>th</sup> of July! Ride and Celebrate safe!

#### Weekend Trip to Virginia in September

Our trip to Bedford Virginia has been **MOVED** to Sept. 18-19-20, as we want to support our first "Throttle Therapy" on Sept. 11 with our friends at Schroader's Honda and "Music On Main Street".

The Days Inn Hotel has been very kind and cooperative in giving us the same rooms and discounts for this new date.

Please let me know if you still plan on going, 2-3-or 4 wheels it will still be a great time.

You may email me at Trikelady@yahoo.com or call 891-7399, see ya soon.
