## Chapter Director's Greetings

### Chapter M2 March 2019 by Dale Yager

What does it mean to be a member of GWRRRA?

Here are some of the benefits from the National organization. You get free motorcycle towing up to 35 miles with your membership at no extra cost. If you pay for the upgrade to Rescue Plus it includes towing for your non-commercial vehicles as well as a motorcycle and trailer up to 100 miles. You receive a subscription to Wing World magazine that covers all motorcycle riding topics including fixes for Gold Wings of all ages. Once a year you get the Gold Book which list all members, who wish to be listed, around the country that are willing to lend a hand to any other member in need. There are first class rider education programs and opportunities, some of which I will talk about in the Ride Coordinator segment. There are many more benefits as well, check out the website at <http://gwrra.org/benefits.html>.

Locally as a member of Chapter NC-M2, if you attend three gatherings this year starting last November you get a free North Carolina motorcycle inspection from Schroader's Honda in Hendersonville. Last month we gave away several free inspections. All you need to do is attend to get yours. If you attend 6 months of gatherings also starting last November, your name will be entered to get a free oil and rear end service from Schroader's Honda as well. This is a \$120.00 value. There will be only one winner with this drawing which will be held at the September 21<sup>st</sup> gathering. This isn't a benefit only to those who belong but is also available to any new members.

Haven't been to a gathering in the last 6 months? Come to our monthly gathering and get your 5 free 2019 Honda Goldwing raffle tickets from Jim Seacord.

An additional new member benefit offer from Frank Pizzardi is a free professional photo of the new member and their bike. Frank is also available for professional photos otherwise, just ask him if you would like one.

I have an update regarding Kelly Spangler who was diagnosed with multiple myeloma several months ago. This is a cancer of the bone marrow. Kelly will go into Carolinas Medical Center next Wednesday for her stem cell transplant. She should be in the hospital about 2 weeks then discharged to the hospital house near the hospital for another 2 weeks. She hopes to be home by the end of March. She will have to be careful for the next 2 months or so to make sure she doesn't expose herself to any potential sources of disease or infection. Her doctors hope she can get 2 or 3 years of remission out of this transplant. Please let's all keep good thoughts and prayers for Kelly's uphill battle.

Karen Newhall recently had surgery and will be recovering for a few more weeks and Jerry Boykin will be out of motorcycle service as he will be having his shoulder replaced in a week or so.

Don't forget we have a staff meeting at the Yager's house on Saturday March 2<sup>nd</sup> at 6:30PM. All are welcome, just let me know you're coming.

## THOUGHTS FROM OUR ASSISTANT CHAPTER DIRECTORS & COUPLE OF THE YEAR BOB & DIANE REDDING

Diane and I are honored to represent M2 as Couple of the Year and Assistant Chapter Directors. We have greatly benefited from the knowledge and friendship we've received from the great group of people from M2 that have become like family to us.

Many of the members have helped me learn more about my bike (especially maintenance and repair that has saved us a ton of money), safety, riding with a group, and many other subjects relating to our passion for riding motorcycles.

We look forward to giving back to those that helped us by passing on the kindness to others that could use our help. Riding motorcycles on the twisty, narrow roads we ride around here require skill that has to be acquired through experience, as well as the knowledge of how to ride safely. We've learned so much since we've joined M2 that's really important to know about riding and look forward to "passing it on".

We look forward to helping M2 grow and helping others enjoy their passion for riding, but by knowing how to do so correctly and safely. Isn't that what we're here for?

## RIDE COORDINATOR

I have been in contact with the Blue Ridge Community College to see when they will have MSF classes available to sharpen your riding skills. They have announced that the dates for the Basic Rider II class are June 9<sup>th</sup> and 20<sup>th</sup>. Five of us have already signed up for the June 9<sup>th</sup> class. This class will sharpen your 2 wheel skills and will also qualify you for Level II in the GWRRA Rider Education levels program. There are still openings for the classes but they do fill up early as they are offering just the 2 of these classes this year. If you would like to register contact **Paula Wynn**, [pe\\_wynn@blueridge.edu](mailto:pe_wynn@blueridge.edu) or call (828) 694-1742. This may also get you an insurance savings as well. Check with your insurance company.

Calling all want to be Road Captains. We are hosting a Road Captains' class on April 20<sup>th</sup> at 11:00AM, right after our monthly gathering. This will be located at the Hendersonville Fire Station #2 located at 632 Sugarloaf Rd, Hendersonville. Who can be a Road Captain you ask? Anyone who is a member of GWRRA can be one. This is additional training in how to lead and tail a group ride. This is a more comprehensive training to Team Riding in order to control larger groups on rides and to be as safe as possible when doing so. The training is free but if you want a patch for your vest it will cost \$6.00. The instructors Tom and Carol Scully will be traveling from the East to teach this class.

If you plan to take this class, please e-mail or text me your name and membership number as I will be starting a class roster. You must be a GWRRA member and must complete both the class room and road portion on that day. A CB radio is strongly suggested for the Road Captains class.

## REFLECTIONS OF THE MEMBERSHIP ENHANCEMENT COORDINATOR

Greetings!

Let's get ready to travel! It's always been a truth that if you want GWRRA people to come to your Chapter gatherings then you must go to theirs. As a chapter, NC-M2 has been lax in our attendance at other chapter gatherings and events. At our February gathering it was decided to change this. Rusti Boykin and Frank Pizzardi stepped up and volunteered to look into and make plans for us to travel to other chapter gatherings and events.

Watch for more information at our gatherings, in the newsletters and posted on our web page. Hope you can attend and support their efforts!

Our mascot M2 was in attendance at the February gathering wondering who would be his caretaker for the next month. His last stay had been with Gerry Boykin where he had a great time and acquired a new leather vest with GWRRA patches! When all was said & done, M2 went back to the Boykin household but this time with Rusti as his caretaker. No telling what he will look like for St Patrick's Day! So you better be at the March gathering to check it out!

Raffle Tickets are available for 2019 Wings Over the Smokies! This year the Grand Prize is for a top of the line automatic 2019 Honda Goldwing. Other prizes are a Hartco Seat and a CSC Trailer Voucher worth \$2295.00. Tickets are \$1.00 each and are available at our monthly gatherings.

Until next time,

Ken Weglarz
