Chapter Director's Greetings

Chapter M2 September 2019 by Dale Yager

As September comes, it also signals that summer is ending and fall is on its way. There won't be as many rides and the weather can play havoc with planned rides. It's still better than not riding at all.

GWRRR is of course an international organization initially of Goldwing riders but now open to all riders. Each state is a district and there are chapters throughout each state. The organization was formed to enjoy riding with others, as well as educate each other on how to ride safely. Both things I take to heart. I love going on Chapter rides and the comradery that goes along with it. I love that we have Chapter rides scheduled so all our members can make a plan to go on the rides. I enjoy the friends we have gained as a result of the organization who also believe the same as I do.

GWRRR has been a part of Michelle's and my life for about 25 years. I have served as Chapter Director for Chapter NC-M2 for the past three years which took that long to build a full staff. We always hope for new members and new blood to grow. The truth is our growth has not been as much as I had hoped, leaving the management of the Chapter to only a few dedicated members. We need more members. We need more help. We have been very open to inviting others to join our rides in hopes that they would like to join and really become part of our Chapter. I want everyone to be part of the group however it should not become an opportunity for non-members to reap the benefits of the work done by members. If you have been participating with our Chapter but not actually been a member it's not too late. Go to our website <https://gwrranm2.org/> and at the bottom of the main page is a pdf download application. While you are there please take notice of our website that is maintained by member Bob Topper.

Looking at our schedule, we have a Progressive Dinner coming up on September 7th. This event and only this event will be leaving from the **Ingles on Howard Gap Rd and Rt. 64** at 10:00AM. More on that by the Redding's.

Our schedule lists a bike night on September 17th. We made the calendar before we had all the details. There is not a bike night on this date.

The location for Wing Ding 42 in 2020 has been announced as Springfield, Missouri on June 30th to July 4th. Sounds like a road trip in the works.

Bob & Diane Redding ASSISTANT CHAPTER DIRECTORS CHAPTER COUPLE OF THE YEAR

It sure has been a great month for riding, and also for Chapter meetings, CNO's, Ice cream rides, and adventure rides with Johnny. I participated in a lot of meetings and rides last month and had a great time and made some new friends. If you haven't been participating in rides and meetings from other Chapters, give it a try. It's all about the rides and friendships with fellow Goldwingers so get out and have fun with us. We had a large number of visitors from other Chapters at our meeting so let's show our appreciation by giving them the gift of our attendance at their events. It's fun and a great way to spend some time with others that share our passion for riding and friendships.

THE BIG EVENT IS COMING ON SEPTEMBER 7th!!! If you aren't signed up for the Progressive Dinner Ride you had better do so **NOW!!!** The cost is \$5.00 per person and we need your reservation and payment by September 3rd to know how much food to prepare. Call Bob at (407) 488-8975 to reserve your place. A great time will be had by all because it involves your favorite things in life which is riding, friendships, and **FOOD!**

We will ride a little over 100 miles which is divided between three stops. We will leave Ingles at Howard Gap Road and Hwy 64 in Hendersonville at 10:00 am with full tanks of gas and empty stomachs. We will ride for about 1 hour to Dale and Michelle's house for appetizers and fellowship. After that we will ride again for about 1 hour to Ken and Karen's for the main meal. After some fun and stuffing ourselves with delicious food we will ride about 1 hour and 20 minutes to Bob and Diane's house for dessert. With full stomachs and big smiles everyone will probably head home for a nap. Don't miss out on this, it's being put together so everyone can have a great time and see lots of the beautiful back roads around our area.

LETS RIDE!!!!

Clyde brought us the COY Placque but we will be passing it off soon!

REFLECTIONS OF THE
MEMBERSHIP ENHANCEMENT COORDINATOR

Here we are again! The beginning to the end of another riding season. It has been great riding weather as long as you're not sitting on the sidelines with a shoulder still healing from surgery, which is going well.

So let's get to some necessary housekeeping. Yes the Chapter is going great. Growth has been on the slow side but many activities have been available for your choice of participation. The gatherings have been booming with visitors from other Chapters. So, what's up?

It has taken Dale three years to finally round up a full staff. Dale & Michelle are completing their third year as Chapter Directors which is basically a two year position. Most of their staff is completing three years of loyal dedication and the time for some others to step up is here.

Very few know the time and effort that is put in behind the scenes to keep the Chapter going. The time and effort that Dale puts into the Chapter is only out done by his dedication and love of everything motorcycle and GWRRR related!

Conversation has begun amongst the staff as to where do we go from here.

It is time to stop just enjoying the effort and time spent by others and get involved. New ideas, new bodies to fill positions, and maybe a new direction.

Talk to the staff members. Talk to Dale as he would love to hear from you. My friends, the time is NOW!

See you soon,

Ken Weglarz

This month's subject is on Community engagement!

Community engagement is "a dynamic relational process that facilitates communication, interaction, involvement, and exchange between an organization and a community for a range of social and organizational outcomes". ... Community engagement is a community-centered orientation based in dialogue.

With the statement above, I would like for all the members of the M-2 group to think about participating in the ride on Saturday, September 14th at 10 am, for the Veterans of Valor Poker Run. It is a community project to support our Veterans like you and me to one day be able to fly to Washington, DC on a Blue Ridge Honor Flight to visit our memorials and return home with lasting memories. Participating in this ride would allow the community to be aware of our group, possibly get other riders interested in joining up and we will be supporting a good cause.

So, let's make this event fun and safe; help the veterans be able to see their memorials, because one day we may want to take the flight and show support for our community.

Wow! Where is everyone! Need to sell some Charity Sale tickets!!!!!!!!!!!!

A big **THANK YOU** to the M2 gang who volunteered for the Back to School Belk Charity Sale!

Easy way to raise some funds but as you can see it can be a little boring at times when no one is in the mall!!!!!!

Guess what? We can do it again in October so bring your calendars to the September gathering!
