## Chapter Director's Greetings

### Chapter M2 November 2019 by Dale Yager

Well the riding schedule is pretty much behind us other than a few odd rides. This season we only had to cancel 2 rides due to weather predictions and had just one soaking ice cream ride. Special thanks go out to all that helped create and lead rides. Ken and Karen Weglarz, Frank Pizzardi, Bob Topper, Bob and Diane Redding, Rusti and Jerry Boykin. Also, thanks to the remaining Road Captains that assisted in tail gunning the rides, including all listed above, Dave Platt, and Mark and Diedra Quinn. All of you made my life easier in helping out with the rides and hope that next year will be the same.

Our next event is the bon-fire to kind of close the riding season with friendship and comradery. The bon- fire will be at the Yager residence located at 112 Mountain Place, Hendersonville on Saturday 11/02/19 starting at **6:00 pm**. (For those that have never been here, please be sure to put Mountain Place in your GPS, not Mountain Rd.) Please plan to bring some snack or dessert to pass around and you might want to bring a chair and maybe a blanket. The weather is going to be dry but cool and this is a great event.

Our next gathering will be November 16<sup>th</sup> at Golden Corral. Breakfast is at 9:00am and the gathering starts at 9:30am. We will determine if there will be a ride after the gathering based on the weather.

Normally we would go directly to the Henderson County Toy Run afterwards but the calendar shows the Toy Run is the following Saturday, November 23<sup>rd</sup>. So on November 23<sup>rd</sup> we will meet at Ingles in Mills River (Rt. 280) at 10:30am to ride to Bill Moore Community Park in Fletcher together. The cost is either a \$15.00 toy or donation. There will be door prizes, T-shirts, a 50/50 drawing as well as a BBQ lunch. All proceeds benefit abused & neglected children of Henderson County.

**M2 sharing the loot  
with a few friends!**

The past few years we have concentrated on making our members the most knowledgeable and safest riding Chapter in the West. We are the only Chapter in the West that has promoted the Rider Education programs to get members certified in First Aid/CPR, attend a Motorcycle Safety Foundation rider class at the Blue Ridge Community College, receive their Road Captains certification as well as the Levels Program where several of our members have reached either Level 2 or Level 3. We have other members participating to maintain their Levels, several which are Masters at Level 4. For those that have participated in the GWRRRA programs they not only make you better prepared as safe riders but also make you the best prepared members for officers in the organization.

Our mission for next year is still to bring in new members and to have more fun. We have added a few new members to our group like Bill McGill, Keith Mort, David and Nancy Skerry and Craig Lembke but we are still in search for more. It is up to each of you to continue to promote who we are and what we do. As we talk it up, maybe we get a new member.

Starting at the November gathering we will be taking Chapter clothing orders. See the attached flyer for pricing and sizing. Don't have one yet? Now is your chance. Need a second one or got mustard on the one you have? Now is the time to order.

## M2 Happenings in October

You are never too old to dress up for Halloween!

Bob T. is the caregiver until our next gathering!

Charles W. won the Candy Corn in the Jar contest. He guessed 250 and there were 262!

David Skerry is winner of the costume contest!

**CHAPTER COUPLE OF THE YEAR**

What a great month it's been!

Lot's of riding because of the great weather we had. October was definitely the best riding time I had this year because it didn't rain much and never got too hot to ride. I only used my heated gloves once, and that was only early one morning before it warmed up. If it's 50 degrees or below I bring out the heated gear, and that's usually only the gloves because if my hands are warm and my clothes are layered correctly I can stay very comfortable. Above 50 degrees I just layer my clothes and remove them a layer at a time to stay comfortable.

Don't put your beautiful bike or trike up yet, with the correct gear and layering there is plenty of good riding to be enjoyed during the winter months! Enjoy riding with your friends as long as you can.

Diane and I are on our way to a 7 day cruise so we can enjoy a little warmer weather, see some great shows, eat way too much food, and get as dark a tan as we can. After that we hope to enjoy some rides with you before the snow comes!

So.....LETS RIDE!!!!!!

Happy Fall!

Here we are in that special time of the year when we get to plan rides only between the hours of 11:00am to 4:00 pm. It is also a good idea to put extra clothing on the bike in case you get stuck out later than you planned.

I guess I'm beginning to agree with everyone else that the weather is starting to be on the cool side, but I still think that cool, brisk mornings are the best!

Holidays are here and I hope you left room in your schedule for fun! Halloween is done until next year and all that scary stuff should be out of your system until then.

Thanksgiving with the family or at least close friends is always a good time to leave the diets at home. Then it's time for M2's Christmas Party with final details to follow at our next monthly gathering.

When it comes to Christmas, anything in a 2X size will be fine (but no black).

To finish the year and start the new we all have to concentrate on good weather for our Annual Icicle Ride on January 1st!

Article ideas are hard this time of the year so at this time my rambling is done.

See you there,

Ken Weglarz
