## From the Top Reflections of the Membership Enhancement Coordinator

September is now in the books and we had another wonderful month. The Wings Over The Smokies event, in Waynesville, with a theme of “Family Reunion”, was finally able to be held, after it was cancelled last year, due to the pandemic. The attendance was down, but it was great to see some familiar faces that we hadn’t seen in a couple of years. Our chapter took care of the Friday morning Registration desk, as well as leading the largest attended guided ride, late that afternoon. Unfortunately, none of us won the \$10,000.00 grand prize, but it wasn’t for the lack of trying.

Our Cooks Night Out for September was held on the 9<sup>th</sup>, due to the WOTS event being on the first Thursday. This month we rode down to the Country House Café in Traveler’s Rest. The weather was great for riding and our trip home was in the dark, as the days are getting shorter. I hadn’t been to this venue before, and let’s just say....it will be a while before I (we) go back. It wasn’t the best of meals and dining experiences, but we’ll chalk that up to the lack of good help that so many places are plagued with right now. Hey, they can’t all be great, right?

On Wednesday, the 8<sup>th</sup>, we held our first ever meeting of the Hump Day Breakfast Riders! I’m sure Dale will cover it in more detail, but I gotta say, great idea, Dale! I look forward to Wednesdays, especially in my semi-retired status, for getting together and hopefully riding, as the weather allows.

Our September Chapter Gathering had 22 attendees, including 19 members and 3 guests, including Roy & Cindy Bryant, former District Directors, from Chapter Z and Charles from Asheville, Chapter I. We were also happy to have Jim & Norma Brabb joining our chapter, from the former Forest City chapter. Thanks for joining us and we look forward to seeing you often!

After our Gathering, Rusti led a ride to Gastonia, where we stopped for lunch at Bad Daddy’s Burger Bar. We had 7 riders on 6 bikes make the trip, with fantastic weather! As a matter of fact, it was like 91° when we left there, and about 73° back in the mountains when we got close to home.

Our September Ice Cream Ride was led by yours truly, to the new Celtic Creamery on 7<sup>th</sup> St. in Hendersonville. We had beautiful weather, so we went about 17 miles to get to the location that is 3 miles from our starting point. Great place and very friendly folks! We only have one more ice cream ride left for the season on October 29<sup>th</sup>. Please join us.

On Saturday, the 25<sup>th</sup>, 7 of us rode down to Piedmont, SC to the G.A.S. Vintage Motofest, where we met Dale, Brian, Jim Brabb and his son, James. Dale had his two older bikes entered in the show. We enjoyed lunch right there at the Saluda River Grill, before heading home. Thanks to Rusti for postponing your trip to join us. It was really cool seeing these pre-1985 vintage bikes.

Speaking of vintage bikes, I just happened to hear about the Motorcycle Cannonball Run that began on September 9<sup>th</sup> in Sault Sainte Marie, Michigan, and was going to be stopping at Dale's Wheels Through Time Museum in Maggie Valley on their 8<sup>th</sup> Stage of the run, on Friday the 17<sup>th</sup>. These 88 bikes are all pre-1930 motorcycles, that are running anywhere from 99 miles to 282 miles a day!! The oldest being a 1909 Indian, and 38 of the 88 being at least 100 years old! Dale, Gerry, Rusti, Craig and I, all managed to get over to Maggie Valley to witness this historic event, at it's almost halfway point. I can tell you now that the event was won by a 1911 Harley Davidson driven by Dave Currier, in South Padre Island, Texas on September 26<sup>th</sup>. This was a tremendous sight and opportunity to see these classics as they were meant to be, ridden!

Ride often and ride safe!

Bob

# Hump Day Breakfast Riders

Looking for some middle of the week riding opportunities?

Starting Wednesday, September 8th we will start meeting at Pop's Diner, every Wednesday, which is located across from the Hendersonville High school. Breakfast at 9:00am with ride to follow around 10:00am. Open to all members and all destinations to be decided; can be impromptu ride or something planned. You can even ride to get together, eat breakfast then ride back home if you like.

They offer both indoor and outdoor seating. Stop planning Dr. appointments or any other events for Wednesday and join up.

*October*

Hey all you riders. September has been an extremely busy month for riding. We started out with Wings Over the Smokies where our Chapter members worked the Friday morning registration. Of course we had to ride to get there. Ride we did! At the registration I got a new appreciation for Nancy Skerry, that girl has it going on regarding being organized, accurate and quick with the registrations. After we worked the table, some of us bought some stuff and then we went to lunch together at the 209 Café. Then it was on to a pre-ride for the group ride we were leading later in the day. Speaking of the ride that Chapter M2 led; we had two groups of seven bikes managed by four of our talented Road Captains (pat on the back) and took everyone on a very scenic and safe ride.

On September 8<sup>th</sup> (hump day) three of us made the first Hump Day Breakfast ride. The second Hump Day ride we had 5 riders for a great and challenging ride. The third Wednesday was a washout for riding but we had 7 people for breakfast at Pop's.

Our gathering was well attended, and we switched the ride destination due to weather predictions. We did get in a good long ride for a hamburger from Bad Daddy's Burger Bar in Gastonia. Kind of a long ride for a burger but I've ridden further for ice cream. We got our new member Joe Taylor to go on this ride with his Valkyrie.

Rusti, Jerry, Bob, Craig and I took a truck ride to Wheel's Through Time Museum to get a firsthand look at the Cannonball Motorcycle riders and bikes at their overnight stop in Maggie Valley. It's absolutely amazing how motorcycling has evolved in 100 years!

*Ride Coordinator continued*

The ice cream ride was a little thin as far as riders; just Rusti B, Bob T, Ed and Kelly S and myself, but that's ok. We put on about 20 miles to get ice cream right in town at the new shop on 7<sup>th</sup> Ave, Celtic Creamery.

Then on Saturday the 25<sup>th</sup>, Jim Brabb, his son James and I had bikes in the 2<sup>nd</sup> annual G.A.S. Vintage Motorcycle show held in Piedmont, SC. Last year I took 1<sup>st</sup> place for Japanese bikes and this year Jim Brabb took first place with his perfect, nearly new 1984 Honda VF 1000 Interceptor pictured below. We had a great group of 7 ride down to see the bikes and say hello to those of us showing bikes for the day.

***For those of you who are looking for riding opportunities during the middle of the week, see the enclosed flyer. Wednesdays at Pop's.***
