EVENT TYPES	ACADEMIC EVENTS/ CURRICULUM SWAPS/ CONFERENCES- LAS VEGAS, NV	<p>Why education? Why does it matter? Education and specifically learning to read proficiently is a statically significant factor attributing to the success of an individual. You may have heard the saying, “Give a man a fish, you’ll feed him for day; teach a man to fish you’ll feed him for a lifetime,” our goal is to empower children and keep the trajectory of their lives going in an upward spiral of success. We want to help build strong Christian leaders for tomorrow in our community and abroad.</p>
