HEREAS, it hath pleased Almighty God, the Sovereign Disposer of events, to protect and defend us hitherto in our conflicts with our enemies as to be unto them a shield.

And whereas, with grateful thanks we recognize His hand and acknowledge that not unto us, but unto Him, belongeth the victory, and in humble dependence upon His almighty strength, and trusting in the justness of our purpose, we appeal to Him that He may set at naught the efforts of our enemies, and humble them to confusion and shame.

Now therefore, I, Jefferson Davis, President of the Confederate States, in view of impending conflict, do hereby set apart Friday, the 15th day of November, as a day of national humiliation and prayer, and do hereby invite the reverend clergy and the people of these Confederate States to repair on that day to their homes and usual places of public worship, and to implore blessing of Almighty God upon our people, that he may give us victory over our enemies, preserve our homes and altars from pollution, and secure to us the restoration of peace and prosperity.

Given under hand and seal of the Confederate States at Richmond, this the 31st day of October, year of our Lord, one thousand eight hundred and sixty one.

By the President, JEFFERSON DAVIS

General's Report

I am pleased to announce headquarters will be giving out 4" round stickers out to all brothers, free of charge. They haven't arrived just yet but should be in around November 15. Please get in touch with your captain to get one once they arrive.

As the "riding season" comes to a close I'd like to take a second and thank all of you for the hard work you've put into our brotherhood. Together we have grown and accomplished many milestones: donations to charities, national events, merchandise creation, and so much more. None of this would be possible without all of you.

With veterans day coming up, I'd like to thank all of you who served our country and the sacrifices you have made for our freedom.

Equally, I hope all of you have an enjoyable Thanksgiving and enjoy the time with your family and friends.

As always, stay safe.

Thanksgiving Supper Prayer:

*Thank You, Lord God, for this food we are about to eat. Thank You for the hands that have prepared it, for those sitting around the table who are here to share it, and for the ability to be here together under one roof, and enjoy these blessings at Your hand. We realize that everything we have comes from You and for that, we are eternally grateful. We also thank You for what we **don't** have this year, for we trust that You have withheld in Your goodness and out of Your protection for us. Thank You that Scripture says You are a Good Father who loves to give gifts to Your children. We sit here as evidence of Your goodness. Thank You for the gift of today and all who are here to share it with us. In the name of Your Son, Jesus, we pray. Amen.*

We're thankful for our Brotherhood, family and friends. Have a Happy and Joyous Thanksgiving.

Sincerely ,

Founders

VIRGINIA

BlackHorse

We have had a little bit of a slow month we had our monthly meeting to discuss the world. We had a new Brother join our merry group, Brandon Sheetz. I hope everyone will welcome him. He's a really good guy. We had our work day at Soldiers rest plantation cemetery. Leon, Bubba and myself camped out on a cold Friday night. We woke up to a white corn field (frosty). We spent nearly 4 hours cleaning the jungle around the cemetery and we had a lot of work to do to get it done.

Mosby's Rangers

They held their monthly meeting and held their raffle. They gave \$500 to a ticket holder and \$1000 to the Fisher House. Leon also is ramrodding the cemetery cleanup and helped with the cleanup.

Morgan's Raiders

The Raiders had a good month also riding the mountains of South West Virginia. They also had a monthly meeting to discuss the future.

Mountain Rangers

Mountain Rangers rode to West Virginia and changed out the flag for Michael E Bowers. We ended back at the house and had a nice meal of North Carolina style pork tenderloin, my wife's famous crockpot macaroni cheese and brown beans, yum yum yum... During the meeting, Stuart Didawick AKA LITTLE was promoted from Corporal to Sergeant. James Keefe AKA SQUIRREL, received a Rear Guard patch. taking Sammy Boone AKA SIERRA BRAVO's position. This important job consists of assisting someone breaks down or is in any kind of trouble. The Rear Guard pulls over accesses the situation, gets in touch with front leader, and then gets everybody off the highway safely. We are getting ready to purchase 2 hand held radios for the front and rear man. We ended the meeting with the drawing for the AR15.

VIRGINIA

Mosby's Rangers, Va copperheads, monthly meeting and raffle drawing winner was Roger Singh and a donation of \$1000 going to the Fisher House.

NORTH CAROLINA

We recently raised the funds to purchase a gravestone for Alice H. Clark who never had one. She was the wife of Henry Clark, a landsman for the Confederate States Navy and worked at the Confederate States Navy Yard 1862 - 1865 and it was located in Charlotte N.C.

Every motorcycle rider writes his own story and makes his own journey. It's time to make that journey count.

Our nation's Confederate Heritage is under attack. In nearly every town square across Dixie, and even up North and out West, the symbols of our People are being removed. Our Founding Fathers' belief in States Rights is precisely what those brave Southern men and women sacrificed for. Our adversaries intend to destroy any monument to that legacy. It's damn well gone far enough.

We're gaining new members daily, with chapters in Maryland, South Carolina, Virginia, Pennsylvania, West Virginia, North Carolina, Alabama, Georgia, Florida, Texas... and a *Ladies of Liberty* organization to support us. We're a family you'll surely recognize.

To join the Copperheads, Confederate ancestry is not a requirement. Being a true American is. If you have a motorcycle, if you are willing to saddle up and defend the memory of the Confederate soldier, and if you share our ancestors' desire for a limited government, we hope to hear from you soon.

Compatriots, we have the momentum, and we plan on keeping it. It's time for all of us to ride. Together.
