Your own Backyard Concert - Value: \$1,000

You may have seen Virgil Caine perform around town – at the Longhorn, BX Cidery, Match, Spinners or someone’s back-yard! James and Charlie will intrigue you with two hours (or more) of their new musical blend of some well known covers. You might even hear some originals.

Thank you Charlie and James! BTW, Charlie is a member of the Board at the Vernon Community Radio Society!
