Case of Cabernet Sauvignon – Value \$200.

Some of the best Cabernet Sauvignon in the world is grown in Osoyoos and the grapes for this stunning wine come from our leased land on the East Bench, the finest of Osoyoos's rich vineyard lands. The warmth of the desert sun is tempered by cool nights and the season extended by nearby Osoyoos Lake. With the meticulous coddling of vineyard owner Chris Hanson the grapes produced an expressive, substantial wine that bursts with blackberry and cassis. Creamy French oak underpins those lively flavours to produce a perfectly balanced, powerful Cab that is delicious on its own and will compliment the finest cuisine. Cellar for up to six years.
