Apologies for the delay, but we have been working to make sure we have everything ready for a great time and look forward to seeing everyone. The competition field will be full size this year. We will have plenty of room at the new location. Also there will be plenty of trailer parking in the parking lot next to and behind the hotel. For those who are familiar with Sevierville, the hotel is behind the Quaker Steak restaurant. There are plenty of restaurants near the hotel and you are just down the road from Pigeon Forge.

If you have any questions, please contact me.

Thank you and we hope to see everyone in August.
