

Grant Awarded!

Thank you to The F.A.N. for awarding P.L.A.Y. Education a grant to continue the incredible collaboration and partnership to break down systemic barriers that impact girls/females to continue engaging in sports after they have learned the skills to be competent and confident. This grant will also provide scholarships to those who may not be able to afford services that help girls/females learn the skills necessary to be physically literate, that give them the confidence to engage and participate in sports throughout their lifetime.
