Swanton Corn Festival

Parade and Performance is Saturday August 8th, 2026.

Waterville Roche de Boeuf Festival

Parade and Performance is Saturday September 19th, 2026.

Performances for both Festivals will be an encore of our last season's recital routines. The Performance will be scheduled for after the parades. Email updates with more specific times will be sent out as we get closer to the events.

This is a great way to get use out of your recital costumes and have fun performing!

Email us TODAY if your dancer is interested in participating in local festivities!
