Emergency & Disaster

We will work with you to **create an emergency plan**. Your emergency plan will **reduce** and **get rid** of any **risks** during an emergency or disaster.

An emergency is any **sudden, urgent, unexpected** event that may cause grave risk to your health, life, or environment.

A **disaster** may cause **loss of life, damage, or hardship** (such as fire and flood), but it is something you can be **prepared** for.

Your emergency plan ensures **continuous support** and manages your **safety needs**. Your emergency plan reviews what is **critical** to your safety, health, and well-being.

Emergency & Disaster

Your emergency plan considers **planning** and **responding** to an emergency and disaster. Your emergency plan will look at potential changes, **adapting** and rapidly responding to ensure your **support**.

We will write the **communication strategies** for you and your network into the plan.

We will **test** the emergency plan.

You can give **feedback** on what worked and what needs to **change**. Our management **reviews** all the **information** we gain from your test and the current situation.

Our **staff** will be **trained** to know your plan and how to help you.
