Attleboro, MA

### DETAILS

SonaSpray "fc" White  
2,100 Square Feet  
.75" Thickness

The newly renovated Bliss Dairy is not only serving the best ice cream in the area, but they are doing it in a comfortable and enjoyable atmosphere. Not wanting to conceal the beautiful tongue and groove ceiling, SonaSpray "fc" was applied to interior gable and end walls to provide just enough noise reduction to remove the unwanted reverberations. For more information regarding SonaSpray "fc" call 508-678-1118 or visit our web site @ [www.atiincorporated.com](http://www.atiincorporated.com).
