PROJECT PROFILE

Chapel Grille

PROJECT

Chapel Grille
3000 Chapel View Blvd.
Cranston, RI

ARCHITECT

Jefferson Group Arch.
700 School Street
Pawtucket, RI

DETAILS

SonaKrete White
1,000 Square Feet
.5" Thickness

It's difficult to upstage the dining experience at the beautiful Chapel Grille in Cranston Rhode Island but this application of SonaKrete is trying its best. Design and architecture of this quality is rare in today's number crunching world of construction. From the classic lines on the exterior of the structure to the finishing touches on the interior, this is a stop worth making. To ensure complete enjoyment while dining, the Jefferson Group chose troweled SonaKrete to absorb any unwanted echo and noise in the wine cellar dining areas. For more information regarding SonaKrete call 508-678-1118 or visit our web site @ www.atiincorporated.com.
