Currents on the Charles

PROJECT

Currents on the Charles
36 River Street
Waltham, MA

ARCHITECT

Cube 3
360 Merrimack Street
Lawrence, MA

DETAILS

K-13 Light Grey
55,000 Square Feet
5" Thickness

Maintaining ceiling heights is always a concern in parking garages. K-13 is not only able to provide comfortable floors for residents and retailers above, but is also applied directly to the fluted metal deck maximizing ceiling clearances. Safe, economical and maintenance free, K-13 offers a Class "A" noncombustible finish and does not require any additional coatings for smoke and fire spread ratings as do expandable foam materials. For more information regarding K-13 call 508-678-1118 or visit our web site @ www.atiincorporated.com.
