PROJECT

Fête Music
103 Dike Street
Providence, RI

ARCHITECT

Frank J. Murphy Architect
250 Main St., Ste. 2
Pawtucket, RI

DETAILS

K-13 Black
6,600 Square Feet
1.5" Thickness

You can't have a state of the art music venue without state of the art acoustical control. With top local acts waiting to perform, K-13 Black offered the final touches to this new night club in Providence Rhode Island. Applied to the metal roof decks, the K-13 offered the desired black-out effect, but more importantly, ensured there will be no unwanted reverberation and feedback for the guests and performers. For more information regarding K-13 call 508-678-1118 or visit our web site @ www.atiincorporated.com.
