PROJECT PROFILE

Innovation Center

PROJECT

Innovation Center
75 Northern Avenue
Boston, MA

ARCHITECT

Hacin + Associates Inc.
112 Shawmut Avenue
Boston, MA

DETAILS

K-13 Black
7,500 Square Feet
1.5" Thickness

It took a lot of work and coordination between the painter and K-13 applicator, but the results speak for themselves. Bright White structural steel and MEP's with jet Black K-13 insets makes for a dramatic and eye catching look at the new Innovation Center. Soaring ceilings in public spaces require a special focus on acoustical performance and reverberation control. The Black K-13 application fits the bill perfectly without even being noticed. For more information regarding K-13 call 508-678-1118 or visit our web site @ www.atiincorporated.com.
