This cozy space that spills out onto the sidewalk of Liberty Wharf required a true “blackout effect” to help enlarge the space to the human eye. The selection of K-13 not only fulfilled that requirement, but also ensured the narrow space would not be an echo chamber for its loyal customers. From the unique location to the eye catching architectural design, this eatery is a must see. For more information regarding K-13 call 508-678-1118 or visit our web site @ www.atiincorporated.com.
