PROJECT PROFILE

Merrimac Public Library

PROJECT

Merrimac Public Library
34 West Main Street
Merrimac, MA

ARCHITECT

Amsler WoodhouseMacLean
65 Long Wharf
Boston, MA

DETAILS

SonaSpray "fc" White
6,120 Square Feet
.5" Thickness

Large refurbished timbers frame this .5" application of Sona-Spray "fc" at the new Merrimac Public Library in Merrimac Massachusetts. The unique design of a modified post and beam structure required a high performance acoustical material for the cathedral ceiling areas of the project. A Noise Reduction Coefficient of .65 has kept reverberation in check while offering a dramatic backdrop for all the wood finishes on the project. For more information regarding SonaSpray "fc" call 508-678-1118 or visit our website at www.atiincorporated.com.
