PROJECT PROFILE

Providence Place Mall

PROJECT

Providence Place Mall
1 Providence Place
Providence, RI

ARCHITECT

Arrowstreet Architecture
10 Post Office Square
Boston, MA

DETAILS

K-13 White
50,000 Square Feet
3" Thickness

Once again the Providence Place Mall in Providence Rhode Island chooses K-13 Spray-on Insulation. When originally built 18 years ago, the garage received the K-13 thermal treatment to provide warm floors for the comfort of the shoppers above. In this recent renovation for Nordstroms, an additional 50,000 square feet of White K-13 has been applied to provide an R-11 along with a Noise Reduction Coefficient of 1.05. For more information regarding K-13 call 508-678-1118 or visit our web site @ www.atiincorporated.com.
