# PROJECT PROFILE

## Quincy City Hall

### PROJECT

Quincy City Hall  
1305 Hancock Street  
Quincy, MA

### ARCHITECT

Holmes & Edwards Arch.  
26 Chestnut Street  
Quincy, MA

### DETAILS

SonaKrete White  
5,000 Square Feet  
.5" Thickness

Historical construction and renovation hand in hand with modern day acoustical performance. Spray applied cellulose has been taken to a whole new level with this latest application of SonaKrete. Sprayed and troweled several times during the application, the finished product looks like drywall from a distance. Up close is 1/2" of high performance SonaKrete providing a Noise Reduction Coefficient of .65, controlling reverberation in the new Quincy City Hall. For more information regarding SonaKrete call 508-678-1118 or visit our web site @ [www.atiincorporated.com](http://www.atiincorporated.com).
