PROJECT PROFILE

Quinnipiac University
Health Professions Center

PROJECT

Quinnipiac University
Health Professions Center
North Haven, CT

ARCHITECT

Centerbrook Architects
67 Main Street
Centerbrook, CT

DETAILS

SonaSpray "fc" White
10,200 Square Feet
.75" Thickness

This dramatic clerestory not only lets light pour into the newly renovated Quinnipiac four story atrium, it skims light directly across the .75" of SonaSpray "fc" that was installed. Due to the side lighting, it was extremely important that texture and surface variance was kept to a minimum. For this reason, the product was lightly rolled following the application to provide this beautiful flat surface. For more information regarding SonaSpray "fc" call 508-678-1118 or visit our web site @ www.atiincorporated.com.
