# PROJECT PROFILE

## Skanska USA Building Inc.

### PROJECT

Skanska USA Building Inc.  
101 Seaport Boulevard  
Boston, MA

### ARCHITECT

Ted Moudis Associates  
79 Madison Avenue  
New York, NY

### DETAILS

K-13 Light Grey  
10,000 Square Feet  
1.5" Thickness

Skanska USA Building Inc. not only taps K-13 for thermal performance in their parking garage applications, but recently had their office ceilings treated with K-13 as well, this time for acoustical performance and reverberation control. The current popularity of open ceilings and exposed mechanicals in office settings has created the demand for a spray-on application that fits into the industrial interior design look. For more information regarding K-13 call 508-678-1118 or visit our web site @ [www.atiincorporated.com](http://www.atiincorporated.com).
