# PROJECT PROFILE

## Saint Athanasius Church

### PROJECT

St. Athanasius Church  
300 Haverhill Street  
Reading, MA

### OWNER

Roman Catholic Archbishop  
66 Brooks Drive  
Braintree, MA

### DETAILS

K-13 White  
10,000 Square Feet  
1.5" Thickness

Can one provide thermal performance, acoustical control, light reflectivity and look beautiful all in one application? Ask the parishioners at Saint Athanasius. Following the asbestos removal, pictured on the right, K-13 was selected as the replacement due to its ability to provide the multi functioning requirements of this application. The application is also concealing over 500 feet of conduit which is surface mounted to the concrete roof deck. For more information regarding K-13 call 508-678-1118 or visit our web site @ [www.atiincorporated.com](http://www.atiincorporated.com).
