# PROJECT PROFILE

## Tavern in the Square

### PROJECT

Tavern in the Square  
800 Constitution Ave  
Littleton, MA

### ARCHITECT

Sousa Design Architects  
81 Boylston Street  
Brookline, MA

### DETAILS

K-13 Dark Grey  
7,000 Square Feet  
1.5" Thickness

Soaring ceilings in this creative design by Sousa Design Architects comes without the roar and reverberation that is normally inherent with this type of sports bar/restaurant. Instead, what we have is an environment where bar patrons can enjoy themselves without affecting guests in the restaurant. The 1.5" of Dark Grey K-13 provides a Noise Reduction Coefficient of 1.05 on the 3.5" fluted metal deck. For more information regarding K-13 call 508-678-1118 or visit our web site @ [www.atiincorporated.com](http://www.atiincorporated.com).
