db2/ARCHitecture
660 Main Street
Woburn, MA

DETAILS

SonaSpray "fc" Black
3,500 Square Feet
1" Thickness

Acoustical Thermal Insulators installs more K-13 at 226 Causeway Street in Boston. With the offices of several companies already utilizing K-13, SonaSpray "fc" and SonaKrete in the floors above, Title Boxing chose the material for acoustical control within the space and sound transmission for tenants above. The standard manufacturers SonaSpray "fc" Black color provides the perfect interior design for this boxing studio. For more information regarding SonaSpray "fc" call 508-678-1118 or visit our web site @ www.atiincorporated.com.
