

PROJECT

Residences at Rivers Edge
100 Rivers Edge Drive
Medford, MA

ARCHITECT

Cube 3 Studio LLC
360 Merrimack Street
Lawrence, MA

DETAILS

K-13 Tan
67,000 Square Feet
2.34" Thickness

Performance meets function with this application of Tan K-13 at the Residences at Rivers Edge. No broken ceiling tiles, no fiberglass batts that have been moved and not returned to the proper position creating a freezing plenum space, and no complaints of cold floors. Cube 3 once again taps K-13 as the thermal insulation in a below grade parking garage. Not only did the K-13 provide a monolithic high performance thermal barrier, but provided the additional ceiling height that was necessary. For more information regarding K-13 call 508-678-1118 or visit our web site @ www.atiincorporated.com.
