Are You an Investor? Have you dreamed of owning your own business or franchise?

If you answer **Yes!** Then I have news for you to make you smile!

I am excited to share the expansion of the **Harmony Brand!**

By Popular Demand! If I had a \$100 for every time, I heard someone say, *"I Love this place, I wish there was one in my city, we don't have anything like this."*, I would be a millionaire!

So, Thank you to all our wonderful clients over the past 21 years! You have helped to build the harmony brand to what it is today.

Starting out as a single nail station in 2002 in Las Vegas, now a 2,500 sq foot Enchanting Full Salon & Day Spa on Sahara Ave in Las Vegas, serving 150-250 clients per month, we are ready to grow beyond the bright lights and glittering Las Vegas Strip.

Franchise Options being developed at a few different levels.

- Nail Spa & Gift Shop
- Nails, Skin Care & Gift Shop
- Full Salon & Spa with Gift Shop.

Become a franchise of the Successful **Harmony Brand** that has heart. I will help you select a location, build out, staffing, training for technicians, management and owners.

I will help you create a lasting Legacy, something more valuable than money, but also financial success, wealth building, and generational wealth that starts from within.

TurnKey Systems from Customer Service, POS, and signature services.

Harmony Brand is dedicated to Healing through beauty uplifting communities one person at a time, and through non-profit alliances.

Our goal is to open several locations throughout the United States and in Henderson & Las Vegas.

If you love the salon and spa business and you love holistic, wellness and helping people then this is a great fit for you.
