## MAP/BOUNDARY CLARIFICATIONS

The map below denotes the outer and inner most boundaries of the tournament. Pay NO attention to shading or color. All boundaries WITHIN the harbor are established already by city of Long Beach, Port Authority, US Coast Guard, Maritime/Harbor Police, etc. Know your inner harbor laws! “Legal” inner harbor boundaries are your responsibilities. As Long Beach hoopers, we have a gorilla-style hobby anyway!

There will be NO hoops allowed on inside or outside of the SOUTH Los Alamitos Bay double breakwall exit walls. Hoops CAN be dropped on the north or “bay” side of the North Los Alamitos Bay double break walls.

There will be NO hoops allowed within the confines of Los Alamitos/Anaheim Bay.

There will be NO hoops allowed outside of the Federal BreakWall (main breakwall)
