

EINSTEIN LEARNING SCHOOL

# KINDERGARTEN ADMISSION

We are now accepting new students for our Kindergarten program. Join a nurturing, creative, and safe environment where your child can grow, learn, and thrive!

## Academics at Einstein Learning School

Einstein Learning School offers a challenging and engaging hands-on academic program through the use of high-quality, research-based curricula designed to support student success.

### Our Core Curriculum Includes:

Social Studies/Science: Florida Studies Weekly  
Reading: Hooked on Phonics  
Language Arts: McGraw-Hill Wonders  
Math: Big Ideas Math

In addition to our core curriculum, Kindergarten students participate in Art, Spanish, and Physical Education, helping to develop well-rounded learners academically, socially, and physically.

## Enrollment Information

To begin the enrollment process, please download the [Pre-Registration Form](#) or visit our main office. Completed forms must be returned to Einstein Learning School along with the non-refundable registration fee.

Einstein Learning School accepts the Step Up for Students Scholarship. At this time, this is the only scholarship program offered at this school.
