

1. **Company name?**
2. **DBA or Operating Name**
3. **Business mailing address?**
4. **Policy effective date?**
5. **Class of business:**
6. **Business ownership structure? Corp/LLC**
7. **How many owners are there in the business?**  
Note: Owners include active partners and executive officers"
8. **Owner/s Name/s?**
9. **Owner/s DOB?**
10. **Owner/s address and phone number?**
11. **Detailed description of operations**
12. **Description of business**
13. **What's the business' employee payroll for the next 12 months (include full time and part time)?**  
Note: Exclude owners, clerical employees, independent contractors, or subcontractors
14. **What's the business' estimated payroll for the next 12 months? Include the owner and any full-time, part-time, temporary employees, and/or subcontractors.**
15. **How many employees are there in the business (including full time and part time)?**  
Note: Exclude owners, clerical employees, independent contractors, or subcontractors
16. **Does the business or any of its subcontractors provide any of the following services or work on any projects involving the following materials or infrastructure?**  
Note: Only add up to 4 additional services.  
Electrical work, Glass installation/repair (no auto work), Heating/air conditioning install/repair (no LPG), Plumbing (commercial/industrial), Plumbing (residential/domestic)
17. **Per occurrence limit? - \$300k, \$500K, \$1M or \$2M**
18. **Deductible amount**
19. **For the next 12 months, what is the business's estimated total annual revenue?**  
Note: If the business is primarily compensated by commissions (like a real estate agent or travel agent), estimate the total value of commissions, not the total value of the sales which commissions are based on. Your best estimate is fine.
20. **If the business hires subcontractors to do work on its behalf, how much does the business expect to pay them during the next 12 months (enter \$0 if they do not hire subcontractors)?**
21. **Does the business use rented or non-owned vehicles (e.g. an employee's car) for business purposes?**

22. Does the business or any of its subcontractors provide any of the following services or work on any projects involving the following materials or infrastructure?
