

BIG CEEF KAMAMBA CORP.

ANGELES CITY PHILIPPINES

BIG CEEF KAMAMBA CORPORATION

The BIG C team offers the biggest projects in real estate sales and all facets of property management in the Philippines

As an independently owned agency we have an inherent passion for our local area, strong ties to our community and an intimate understanding of our market. The quality of our service and the level of care we bestow on our clients set us apart.

We are a close-knit team of enthusiastic and dedicated real estate professionals who love the Merimbula area and love property. We are always on hand to provide astute insightful advice on all your property needs.

We're committed to clever, cost effective marketing tailored specifically for you. Our results speak for themselves and the level of repeat and referral business we receive is a true testament to the dedication we show our clients.

Operating with a select portfolio of listings ensures our sales team can give a truly exclusive level of service, while the property management team ensures your rentals are well looked after and make the rental experience for both property owners and tenants enjoyable.

ABOUT US

Big C Real Estate, A specialist agency with a focus on customer service. Whether it's the sale of your most prized asset or knowing your rental property will be in the right hands, Sails Real Estate is the agency with only you in mind.

WHY BIG C

Operating with a select portfolio of listings ensures the sales team can give a truly exclusive level of service, while the property management team ensures your rentals are well looked after and make the rental experience for both property owners and tenants enjoyable.

OUR TEAM

The team at BIG C live and breathe the coastal Merimbula lifestyle; they have grown up here, schooled here, raised families here and even holidayed here. Who better to sell you the Merimbula lifestyle than a team who lives the Merimbula lifestyle?

A modern and professional theme of light colours, bright smiles and a relaxed environment will greet you at BIG CEEF

OUR DREAM PROJECT DISNEYLAND PHILIPPINES

HIGH END HOUSING PROJECTS

Luxury residential developments are changing city skylines across Angeles city

The lure of the inner city pied-à-terre is as strong as ever, with baby boomers, offshore buyers and investors indulging in a low maintenance, sky high, lifestyle that wants for nothing.

ONE STOP COMMUNITY

One stop community events such as community fun day expenses, summer youth camp, litter picking, sports events, expenses to pay for terminally ill cancer patients, old age persons on visits to the seaside.

SOON TO BUILD CONDE'S DREAM PALACE
