New Recycling Containers for Saddle Ridge

Waste Management delivered the new recycling containers. The yellow lid containers are to be used for RECYCLES ONLY and will replace the green box. You can keep the box if you have a need for it or place it inside the new container and Waste Management will pick it up.

The trucks will be automated and the driver will no longer get out to pick up anything that is outside the containers. All garbage MUST be in the container. Coordinate with neighbors to place your overflow in their containers if you have some and there is room in theirs.

We have several large green garbage containers if you feel you need a larger one. Contact your Board Members to exchange one.

Regular trash pick-up remains the same, every week on Wednesday.

The first pick-up for the new recycling containers will be WEDNESDAY, JULY 10. Recycles will be picked up every other week with the next pick-up being July 24th.

Please make sure your containers are placed right side out toward the road. There are arrows on top of the container indicating street side out.

Recycling containers are to be kept in your garage along with garbage cans. Please do your best to find a place. This is the only size recycling container available.

For Pacific Township residents, you can purchase a one-time sticker (fee of $2.00), to drop off extra trash items at Columbia County Solid Wastes facility located on Hwy. 16 (across from Pacific Town Hall). Hours for this service only are Tuesday afternoons 2-5 P.M. and Saturday 8 A.M.-4 P.M. This is limited to certain items, no recyclables. For more information, stop during these posted hours. Drive in; you will see a man sitting near the dumpsters on the left side of the lot.

Saddle Ridge Golf Course

Red White and Blue outing at 3:00 shotgun start for 4th of July, 4 -person scramble using 3 red, 3 white and 3 blue tees. Come join the fun. Sign up in golf shop.

Special thanks to all our green thumb gardeners. Your work on the course and around the clubhouse is beautiful and very much appreciated.

Also stop in and see the great job Schumann’s and Turner’s did painting the bathrooms inside and out.

The course is shaping up nicely and we can all enjoy everyone’s hard work. Dan Steeger has been spicing up not only the wooded areas but the main road coming in as well.

Thank you, thank you, thank you!
- David and Margie

second Memorial Bench has been purchased from last year’s fundraiser. It will replace the bench currently set out by the putting green. Names will be added to this new bench. Please take a moment to remember those that we have lost.
