Deer Tales Distribution Change

The Boards of all Associations have decided that we are going Green meaning we will no longer print the Deer Tales and manually distribute as of the 1st of 2025. The Deer Tales will be distributed via email. For the few that do not have email, your Association will print and continue to deliver a hard copy.

Currently there are about 200 owners that receive Deer Tales via email. This is a less costly and more efficient way to distribute, therefore, we are implementing for all owners. If you prefer to read a printed copy, you will need to print it yourself.

Your understanding and support is greatly appreciated.
