PLEASE! Don't feed the deer, they could die! It's so tempting, but don't!!

Per Wisconsin DNR: During a drought feeding deer is particularly harmful because it causes **fatal digestive shock**, accelerates disease transmission, and increases dehydration. Feeding deer is unlawful in our county.

Please submit announcements for the September edition by August 20th to Editor, Lila Waldman:

Neighborhood Reminders:

The golf course is private property... No fishing in the ponds. No walking the dog or just casually walking on the course. This is for your safety and respect for the fact that it is private property. The course is not part of any Association common area.

Please pick up after your dog and use your personal garbage can for disposal. Waste containers on the golf course, clubhouse & golf shop are NOT intended for that or other personal stinky garbage! Take it home 😊

For sale signs are to be posted within the limited common area and where it is not in the way of mowers. 👍

Watering of lawns is best done before 8:00 AM and after 6:00 PM. Please avoid watering during the heat of the day as it is much less efficient and our well pumps are near their life expectancy.

Driving in Saddle Ridge

A Friendly Reminder

The Speed Limit is 20 mph

You need to be 16 years old or more to drive ANY motorized vehicle.

One of the things that makes Saddle Ridge such a wonderful place to live is the number of neighbors who enjoy being outdoors. Whether it's taking a morning walk, riding a bike or scooter, driving a golf cart, walking a dog, or simply visiting with neighbors, our roads are used by people of all ages throughout the day. As our community has no sidewalks, our streets are shared by both vehicles and pedestrians. We ask everyone—residents and visitors alike—to please observe the posted 20 mph speed limit and remain alert for people using the roadway.

Driving a maximum of 20 mph can make a significant difference in giving others more time to react and helping keep everyone safe. **The extra few seconds it may take to reach your destination are well worth it.** Please think of our streets as an extension of your own front yard—a place where friends, neighbors, family members, and pets are out enjoying the community we all love.

Thank you for doing your part to help keep Saddle Ridge a safe, welcoming, and enjoyable place for everyone.
