Thank You,

*Thank you, Thank you Thank you all, My
birthday celebration was amazing. you really
know how to make an old guy feel good.
Surrounded by family and friends both near
and far. I can't tell you how full my heart is
going down memory lane with so many people
who have touched my life From Westfield to
Waterford and everywhere in between. Saddle
Ridge has certainly turned out to be the best
place for our retirement. All the cards are
entered into my birthday memory book , gift
card, scratch offs and cash were all appreciated
but nothing can surpass the effort it took for
each and everyone to give up your time to
celebrate this 90 year old . Thank you all from
the bottom of my heart. David Druce*

Facebook: Saddle Ridge Golf Leagues

New for 2025: *Saddle Ridge Golf Course has a new app for members and for making tee times.*

Rustic Golf - WI *You will need to download the new app to make tee times.*

saddleridge@rusticgolfproperties.com

New Rustic Golf App

We have a new Rustic Golf App that our golfers can use to make tee times, review their club credit balances, enter league scores and more! Please make sure to delete the old Rustic Golf App (black & white logo) and download the new Rustic Golf-WI App (color logo) from the app store. When you open the app click on member login and enter your email. The app will then send you an email asking you to create a new password. Once you get logged into the app with your email and new password you shouldn't have to login again.

Warm weather brings everyone wanting to spend time outside. Walkers, joggers, bikers and golf carts are out on our roads. Here's a few things to keep in mind and keep everyone safe and healthy.

The speed limit on all our roads is **20 MPH** please observe your speed.

Dog walkers- Pick up after your dog does their thing on a walk or in your grass area. No one else wants and shouldn't have to do it for you. Dogs are not allowed off a leash and not allowed on the golf course.

We have a lot of wild life roaming around our area.

Attached is an article that outlines WI laws on feeding birds and deer.

In Fort Winnebago, Wisconsin, feeding deer is generally not legal. Baiting and feeding restrictions are in place due to the presence of Chronic Wasting Disease (CWD) and Tuberculosis (TB). While some exceptions may exist for wildlife viewing, feeding is generally discouraged and may be illegal depending on location and specific regulations.

Google: Wisconsin Deer Baiting and Wildlife Feeding Regulations

Please be considerate and do not feed the wildlife.
