

# **Carol Fears**

## **DoDEA, 2012**

### **Candidate for Treasurer**

I am seeking this office in order to become more involved in CPAM. After teaching overseas for 30 years I am back in the States. I intend to fully execute the duties of this position, keep accurate records, and inform members of our financial status as required by the position description.

#### **Education**

B.S. cum laude in Biology, Georgia College  
Master's in Education Georgia State University  
30+ additional semester hours in mathematics and education

#### **Professional Experience**

This is my 36<sup>th</sup> year teaching middle and high school. Thirty of those years were teaching military children at bases in Okinawa, Japan, and in Germany. The majority of my teaching career has been in middle school mathematics and science. I currently teach sixth grade mathematics at Brewster Middle School on Marine Corps Base Camp Lejeune in Jacksonville, North Carolina.

#### **Publications and Honors**

Puzzling Pentominoes lesson for the Illuminations website of NCTM  
Presidential Award for Excellence in Mathematics and Science Teaching, 2012
