

Live, Laugh, Line Dance!

Line Dancing with Tina and Wendy ***February 2025***

Happy Valentine's Month!

In the month of February, we celebrate Valentine's Day. This is the perfect time to work on Waltz line dance patterns. This style of line dance uses 6-count sets and features footwork like twinkles, waltz basic, waltz box, chassè, hesitation, swivels, and waltz basic with turns. It also has a unique rise and fall technique that makes this style of line dance look elegant. We could all use a little dose of elegance every once and a while.

Don't worry if you are currently without a special romantic partner. You can always celebrate things you love like family, hobbies, a new pair of boots, or chocolate!
