For purposes of voting, each Unit is allowed one (1) vote, regardless of the number of Persons having an interest in such Unit. The Common Expense Liability shall be based on the operation and maintenance costs for these Common Elements and the amount of the assessment will change on a yearly basis according to these costs. Each Unit and corresponding garage allocated to such unit may be described by its Identifying Number or symbol as shown on the Plans and as set forth in this Declaration and shall be deemed good and sufficient for all purposes and shall be deemed to convey, transfer, encumber or otherwise affect the Unit Owner's corresponding Allocated Interests even though the same is not expressly mentioned or described therein. Where a wall physically separates one Unit from another Unit, the boundary of such Units shall be from the internal surface of the drywall inward, such that the drywall, structural supports, utility service lines, and air space, if any, between two such Units shall be Common Elements, and shall not be deemed to be included within the boundaries of the Unit.

(c) The horizontal and vertical boundaries above identified shall be extended to their intersections with each other, but, as set forth in 2.2(b) above, vertical boundaries between Units shall run parallel and not abut.

7.1 Approval of Plans.

(a) Approval Required. Except for any Improvements constructed and installed by Declarant, no Improvement shall be constructed, erected, placed, expanded, added to, maintained or permitted to remain within the Condominium Regime (excluding

the interior of any Unit), and no alterations or other work which alters the exterior appearance of any Unit, Limited Common Element or Common Element, until the plans and specifications and other documentation as may be required by Development Guidelines for said Improvements and alterations, which may include without limitation floor plans, materials, colors, signage, exterior lighting and any other information needed to accurately describe the exterior appearance or functional characteristics of said Improvements (the "Application"), have been submitted to and approved in writing by the Committee. Three sets of the Application shall be filed with such Committee. Improvements approved in writing by Declarant prior to the recording of this Declaration shall be deemed to have been approved by the Committee.

(b) Filing Fee. As a means of defraying its expenses, each Committee may institute and require a reasonable filing fee to accompany the Application for each building or other construction project submitted. If resubmission of an Application is necessary, the Committee may require an additional filing fee.

(c) Governmental Regulations. All Applications for Improvements submitted to the Committee hereunder shall comply with any and all laws, rules, regulations or ordinances applicable to the Property which have been promulgated by any local, state, federal or other governmental agency or authority.

(d) Basis for Approval. The Committee shall have the right to disapprove the Application submitted to it, whether a preliminary or final submittal, if any part of it is:

(i) not in accordance with this Declaration or the Development Guidelines or the Plans;

(ii) incomplete;

(iii) not in compliance with relevant approval requirements or regulations of local, state, federal or other governmental agencies;

(iv) deemed by the Committee to be contrary to the best interests of the Condominium or the Owners; or

(v) incompatible with the architectural style, quality or aesthetics of existing Improvements or development plans for proposed Improvements, based in part on the criteria set forth in subsections (w) through (z) below in this Subsection 7.1(d).

The Committee shall not unreasonably withhold its approval of an Application submitted to it. In this connection, the Committee may also base its approval or disapproval on criteria which may include, but are not limited to, the following: (w) conformity and harmony of external design with neighboring structures; (x) effect of location of proposed Improvements on the other Units within the Condominium; (y) adequacy of screening of trash facilities, storage areas, mechanical and heating and air-conditioning facilities and

rooftop installations; and (z) conformity of the Application to the purpose and general plan and intent of this Declaration. Any decision of the applicable Committee made after Declarant is no longer entitled to appoint the members of the Committee, may be appealed to the Board. The decision of the Board shall be final. As long as Declarant is appointing the members of the Committee, any decision of the Committee shall be final.

(e) Time for Decision. The Committee shall approve or disapprove each Application, whether a preliminary or final submittal, within thirty (30) days from the receipt thereof. If the Committee fails either to approve or disapprove the Application within said 30-day period; then it shall be deemed that the Committee has disapproved the Application. At least one set of the Application shall, with the approval or disapproval endorsed thereon, be returned to the submitting person and one set shall be retained by the Committee for its permanent files. Notwithstanding Section 7.1(a), no application or Notice shall be deemed filed with the Committee until it is actually received by at least one Committee member by certified mail (return receipt requested).

(f) Time for Commencing. Upon receipt of approval from each Committee pursuant to this Section and upon receipt of approvals from the City, the Owner shall, as soon as practicable, satisfy all conditions thereof and diligently proceed with the commencement and completion of all approved construction, refinishing, alterations, excavations and landscaping. In all cases, work shall be commenced within twelve (12) months of the date of such approval, or the approval given or deemed given pursuant to this Article shall be deemed revoked unless the Committee, upon request made prior to the expiration of said 12-month period, extends the time for commencing work by written notice to the Owner, which may be withheld or conditioned in the Committee's discretion.

(g) Completion of Work. All construction, refinishing, alteration or excavation of any Improvements approved under this Section 7.1 shall be undertaken and pursued diligently to completion, but in any event shall be completed within two years after the date of approval by the Committee. However, the time for completion shall be extended for any period such completion is rendered impossible or would result in great hardship due to strikes, fires, national emergencies, natural calamities or other similar supervening forces beyond the control of the Owner or its lessees. Failure to comply with this Subsection 7.1(g) shall constitute a breach of this Declaration and subject the defaulting party or parties to all enforcement procedures set forth herein or any other remedies provided by law or in equity.

(h) Disclaimer of Liability. Neither Declarant, the Committee nor any member thereof, nor any agents, officers or employees of Declarant or of the Committees, shall be liable in any way for any damage, loss or prejudice suffered or claimed by an Owner, Lessee or any other Person who submits an Application; except to the extent of actual damages arising directly from the bad faith acts or intentional misconduct thereof. Any person or entity who submits an Application shall forever defend, indemnify and hold the Declarant, the Committees, the members thereof, and the employees, officers and agents of each, harmless from all damage, loss or liability

(including reasonable attorneys' fees) suffered or claimed by any third party on account of (i) any defects in any plans, drawings, specifications or other documentation submitted in any Application, or revised or approved in accordance with the foregoing provisions, or for any structural or other defects in any work done according to such plans, drawings, specifications or other documentation; (ii) the approval or disapproval of any Application, whether or not defective; or (iii) the construction or performance of any work, whether or not pursuant to an approved Application, except to the extent of actual damages arising directly from the bad faith acts or intentional misconduct of the Declarant, a Committee or any member thereof, any agents, officers or employees of Declarant or of the Committee.

(i) No Representations or Warranties. In no event shall an approval by a Committee of any Application, or any written or oral statements made by the Board or any officer or employee of the Association, Declarant or any employee or officer or agent of Declarant, or the Committee or any member, agent or employee thereof, be deemed to constitute in any way any representations or warranties of any kind, express or implied, with regard to the Application and any plans, drawings, specifications or other documentation constituting a part of the Application, including without limitation representations or warranties regarding compliance with zoning, subdivision and land use laws, or compliance with any other applicable codes, regulations and laws, or with regard to fitness for a particular purpose.

(j) Presumption of Compliance; Estoppel Certificate. The foregoing notwithstanding, after the expiration of one (1) year from the date the Committee receives from an Owner either (i) a copy of the certificate of occupancy issued by the applicable governmental authority for any Improvement, or (ii) after an Improvement has been completed by an Owner and said Owner has delivered a valid notice of completion with respect to such Improvement to the Committee, then said Improvement shall, in favor of purchasers and encumbrances in good faith and for value, be deemed to be in compliance with the provisions of this Article VII unless a notice of non-compliance or non-completion with respect thereto has been executed by Declarant or the Committee and recorded in the office of the Register of Deeds of Douglas County, Nebraska or unless legal proceedings shall have been instituted to enforce compliance or completion with respect to said Improvement.

(k) Approval Cannot be Assigned. Any approvals given pursuant to this Article VII shall be personal to the Owner submitting the Application and cannot be assigned or transferred by such Owner without the prior written consent of the Board, which shall not be unreasonably withheld. Without such consent, any subsequent Owner of a Unit for which a previous Owner has obtained approval of an Application shall submit a new Application pursuant to this Section 7.1 for review and approval as though no prior approvals had been received from the Committee with respect to such Unit.

7.2 Variances. The Committee is hereby authorized and empowered to grant variances for Improvements or uses within the Condominium prohibited or regulated by this Declaration or the Development Guidelines and further to grant reasonable requests for relief

from the provisions of this Declaration, or any portion hereof, in order to overcome practical difficulties and to prevent unnecessary hardship in the application of the provisions contained herein. Notwithstanding the foregoing, the Committee shall not grant such a variance to any Owner unless:

- (a) such Owner has obtained all necessary governmental approvals,
- (b) the construction of Improvements or the uses which are called for under the request for the variance shall be consistent in design, character, appearance and quality of construction with the other Improvements and uses within the Condominium,
- (c) the variances do not materially injure, in the judgment of the Committee, any of the Units or Common Elements within the Condominium, and
- (d) the construction of Improvements and/or the uses called for under the request for variance are otherwise subject to and conform with all applicable laws, ordinances, rules and regulations, including, but not limited to, zoning regulations of any governmental agency or political entity having jurisdiction over the Condominium.

No variance granted pursuant to the authority granted herein shall constitute a waiver of any provision of this Declaration as applied to any other Person or portion of the Property, and the grant of a variance shall not obligate the Committee to grant other variances. In addition to the variance powers provided herein, the Committee shall be empowered to issue from time to time reasonable interpretations of the intent of the provisions of this Declaration or the Guidelines, which interpretations shall not constitute variances from the provisions of this Declaration, but shall be designed to further the implementation of this Declaration in a manner consistent with its provisions.

7.3 Maintenance During Construction. All construction activities of any kind on any portion of the Property shall be governed by the provisions of this Subsection and corresponding provisions in the Development Guidelines and the Plans. All construction activities shall be carried out in an orderly and timely manner and all partially completed Improvements shall be kept in an orderly condition during construction. If the provisions hereof conflict with the provisions of the Development Guidelines with respect to construction activities, the more restrictive provision shall control. Any repairs or replacements to the Common Elements, including any Limited Common Elements, necessitated by a Unit Owner's construction shall be performed by a contractor approved by the respective Committee having authority thereof.

ARTICLE VIII RESTRICTIONS

8.1 Permitted Uses - Units. Other than the Special Declarant Rights carried on by the Declarant or his assigns, agents or successors, during the Period of Declarant Control, the Units shall be restricted to single family residential use and may not be used for any other purpose. Nothing in this Section 8.1 is intended to prohibit an Owner from keeping his personal business or professional records or accounts therein, or handling his personal business calls or

correspondence therefrom.

8.2 Prohibited Uses - All Units, Common Elements and Limited Common Elements. In addition to all restrictions now existing against said Property and all Improvements now or hereafter constructed thereon, the use, occupancy and operation of the Units, Common Elements and including Limited Common Elements is hereby expressly restricted as follows:

(a) Animals. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any lot except that dogs, cats, or other household pets may be kept, provided that they are not kept, bred, or maintained for any commercial purposes. Each living unit shall be permitted to have no more than two (2) pets, such as one dog and one cat, two cats, or two dogs, provided, however, that no Pit Bull Terriers or Rottweilers shall be allowed in any case. No one pet shall be allowed which weighs more than forty-five (45) pounds, and no combination of pets shall be allowed in any Unit which total more than thirty-five (45) pounds. In the event that any amendments are made to this Declaration which further restrict the keeping of pets, all pets that had existed at the time of such amendment shall be "grandfathered" and shall be allowed to remain in the Living Unit, provided, however, that no replacement pets acquired after the date of the amendment would be allowed if they violate any such amendment. All pets must be kept on a leash and each Owner shall be responsible for cleaning up any waste or mess made by the pet. Any damage done by pets including dragging chains, digging, scratching or chewing, shall be the responsibility of the owner of such pet, including, but not limited to, any damage done to landscaping. The Association shall have the right to require removal of pets in the individual cases where such pets are or become legal nuisances and unreasonably disturb the quiet enjoyment of the Properties by the Owners. The Association may levy a \$25.00 per incident charge for any pet waste that is not cleaned up by the owner of such pet.

(b) Use of Property. Except for the right of ingress and egress, the Owners of Units are hereby prohibited and restricted from using any property outside of their respective Units, except as may be allowed by the Association's Board of Directors or as expressly provided herein. It is expressly acknowledged and agreed by all parties concerned that this paragraph is for the mutual benefit of all Owners within the Condominium Regime and is necessary for the protection of the Owners.

(c) Antennas. No television antenna or radio receiver, satellite dish, or other similar device shall be attached to or installed on any portion of the Property, unless contained entirely within the interior of a Unit, or on the roof of the Unit; provided, however, any such installation on the roof of the Unit shall be approved in writing by the Board and performed by the Association's contractor at the Unit Owner's expense. In the event that any installation under this section shall require a roof penetration, such roof penetration shall be performed by a roofing contractor approved by the Board. No radio or television signals, nor any other form of electromagnetic radiation shall be permitted to originate from any Unit which may unreasonably interfere with the reception of television or radio signals within the Condominium Project; provided, however, that Declarant and the Association shall not be prohibited from installing equipment

necessary for the operation of any master antenna, security, cable television, mobile radio, or other similar systems within the Condominium Project.

(d) Vehicles, Etc. No vehicles shall be parked on the Common Elements, other than in authorized Parking Spaces, and no vehicle repairs, other than emergency repairs or repairs of a minimal nature needed to be performed to move a vehicle off the Property, shall be allowed on the Property. No vehicles shall be parked or stored on blocks or other such devices on the Common Elements or any other portion of the Condominium Project. No vehicles shall be parked so as to obstruct the fire lanes or roadways as may exist within the Condominium. The Association is expressly authorized to tow away, at an offending Owner's expense, any vehicle which is in violation of this Section, or which is placed on the Condominium Property in violation of the rules and regulations governing parking as may be adopted by the Board of Directors. No boats, boat trailers, campers, canoes, recreational vehicles, vehicles used primarily for recreational purposes, vehicles primarily used for commercial purposes, or vehicles with commercial writings on their exterior shall be stored, allowed to remain, or parked on any portion of the Condominium, except in an area, if any, designated by the Board of Directors or except as otherwise permitted by the Association's Board of Directors or Declarant. The Board shall have the right to designate areas within the Condominium Project for the parking of motorcycles and bicycles.

(e) Signs. Except as placed or erected by Declarant or his assigns, agents or successors, no signs, billboards or objects shall be erected, placed, or permitted to remain on the Property, nor shall such Property be used in any way or for any purpose which may endanger the health or unreasonably disturb the Owner of any Unit. No Unit Owner shall display a "for rent" or "for sale" sign without the express written consent of the Board.

(f) Miscellaneous Prohibited Uses. No Unit shall be occupied, operated or maintained in an unsanitary or hazardous condition.

8.3 Security and Frozen Pipes. Should a Unit become vacant, the Owner is responsible for securing the Unit while it is unoccupied, including engaging all locks, providing security lighting, and heating the interior sufficient to keep pipes from freezing. Insurance claims or costs incurred by the Association or the Board for frozen pipe damage in unheated Unit may be offset by a special assessment levied against the Unit in an amount equal to the damage claim.

8.4 Unsightly Appearances. No offensive or unsightly appearance shall be maintained or allowed to exist on those portions of any Unit visible from the exterior of the Condominium or Common Areas i.e. halls, etc. All equipment, garbage cans, and storage areas shall be kept in a manner so as to conceal them from view of neighboring Units and streets, unless otherwise authorized by the Association's Board of Directors; provided, however, exterior personal patio furnishings, such as chairs, grills and swings, located within a Unit's balcony, patio, porch, terrace, or deck shall be permissible, subject to the rules and regulations of the Association. Provided further, however, that nothing shall be permitted which in the opinion of

the Association's Board of Directors jeopardizes the structural integrity of any deck or other part of the Condominium, or which presents risk of damage to adjacent property shall be permitted.

8.5 Acts Affecting Insurance. An Owner shall not permit or suffer anything to be done or kept in his or her Unit which will increase the rate of insurance acquired by the Association or which will otherwise obstruct or interfere with the rights of other Owners.

8.6 Trash Containers and Collection. No garbage or trash shall be placed or kept on the Condominium except in covered containers of a type, size and style which are approved by the Association. The Association shall have the right to subscribe to a trash service for the use and benefit of the Association and all Owners; and to adopt and promulgate rules and regulations regarding garbage, trash, trash containers and collection. The Association shall have the right to require all Owners to place trash and garbage in containers located in areas designated by the Association. No incinerators shall be kept or maintained in any Unit. All rubbish, trash, and garbage shall be regularly removed from the Property and shall not be allowed to accumulate thereon. If trash dumpsters are used to facilitate trash, rubbish and garbage removal, all such trash, rubbish and garbage shall be placed therein for removal from the Property.

8.7 Machinery and Equipment. No machinery or equipment of any kind shall be placed, operated or maintained upon the Condominium except such machinery or equipment as is usual and customary in connection with the Declarant's sales, marketing, maintenance or construction of the Improvements which are within the permitted uses of such Property, and any use except that which Declarant or the Association may require or permit for the operation and maintenance of the Common Elements and Units.

8.8 Leasing of Units. A Unit Owner may lease his or her Unit and/or garage (but not less than his or her entire Unit) from time to time provided that:

- (a) The initial terms of any lease shall be for a period of not less than six (6) months;
- (b) No Unit may be leased or subleased without a written lease or sublease;
- (c) A fully executed copy of such lease or sublease shall be furnished to the Board for approval not less than thirty (30) days prior to the date the lessee or sublessee obtains possession of the Unit;
- (d) The rights of any lessee of a Unit shall be subject to, and each such lessee shall be bound by, the covenants, conditions and restriction set forth in the Declaration, Bylaws and Rules and Regulations, and a default thereunder shall constitute a default under the lease or sublease; provided, however, that the foregoing shall not impose any direct liability on any lessee or sublessee of a Unit to pay any Common Expenses or special assessments on behalf of the Owner of that Unit.

Notwithstanding the foregoing, the provisions of Section 8.8 shall not apply to a holder of a Eligible Mortgage who is in possession of a Unit following a default in such mortgage, a

foreclosure proceeding or any deed or other arrangement in lieu of foreclosure.

8.9 Lawful Use. No improper or unlawful use shall be permitted on any part of the Condominium. All valid laws, zoning ordinances, and regulations of all government bodies having jurisdiction over the Condominium shall be observed. Any violation of such laws, zoning ordinances or regulations shall be a violation of this Declaration.

8.10 Nuisances and Offensive Activity. No Owner, lessee, occupant, or other Person shall create a nuisance within the Condominium Regime, or use any portion of the Condominium Regime for any activity or purpose which is considered by the Board, its sole and absolute discretion, to be objectionable due to sound, odor, visual effect or physical impact and which in the opinion of the Board will disturb or tend to disturb other Owners or lessees in the Condominium, or which is deemed by the Board to constitute a nuisance. Included among the uses or activities prohibited because of their detrimental effect upon the general appearance, enjoyment and use of the Condominium are, without limitation, the following:

- (a) Any public or private nuisance.
- (b) Any vibration, noise, sound or disturbance that is objectionable due to intermittence, beat, frequency, shrillness, loudness or pulsating effect.
- (c) Any lighting which is flashing or intermittent or is not focused downward or away from any Unit within the Condominium, unless otherwise approved by the Board.
- (d) Any air pollution, including without limitation any dust, dirt, mold, microbials or other environmental pollutants in excessive quantities.
- (e) Any emission of excessive, offensive, or noxious odors.

No nuisance shall be permitted to exist or operate upon the Condominium and no activity shall be conducted upon the Condominium which is offensive or detrimental to any portion of the Condominium or any Owner or Occupants of the Condominium. No exterior speakers, horns, whistles, bells or other sound devices except security or other emergency devices used exclusively for security or emergency purposes shall be located, used or placed on or in the Condominium Project.

8.11 Enforcement. This Declaration, including all restrictions set forth herein, and the rules and regulations may be enforced by injunctive relief, specific performance or the imposition of reasonable monetary fines as provided in the Act and suspension of use and voting privileges. These powers, however, shall not be construed as limiting any other legal means of enforcing the use restrictions or rules and regulations of the Association. Any fines so imposed shall be considered an assessment against the Unit and may be collected in the manner provided for collection of other assessments. In addition to the foregoing, if any Person shall fail to maintain its Unit in a reasonably safe and sanitary condition, the Association may, at the Board's option, and after ten (10) days written notice to the Unit Owner, perform any clean-up, repair

and/or replacement to cure any such condition, and all cost and expenses reasonably incurred by the Association, plus interest thereon at the rate of sixteen (16%) per annum, shall be reimbursed to the Association by such Unit Owner within thirty (30) days after work has been completed. The Association may levy a special assessment against any such Unit, which may be enforced in accordance with Section 10.9, below.

ARTICLE IX MAINTENANCE

9.1 Maintenance of Condominium Units and Limited Common Elements.

(a) By the Owner. Except as provided in subsection (b) of this Section, each Owner shall have the obligation to maintain, keep attractive, keep in good repair, and replace (subject to applicable and available insurance proceeds) all portions of the Unit and any Limited Common Elements exclusively allocated to such Unit. Any maintenance, repair, replacement or upkeep required to be performed by an Owner hereunder shall be in conformance with the architectural standards as set forth by the Board. In explanation of the foregoing and not to be construed as a limitation, each Owner shall maintain, repair, and keep in good condition (subject to the Association's obligations hereinafter set forth), his or her Unit.

(b) By the Association. The Association shall maintain, keep in good repair and upkeep, and replace (subject to available insurance proceeds), as a Common Expense assessed in accordance with this Declaration, all of the Condominium property not required to be maintained and kept in good order by a Unit Owner and as otherwise set forth in this Section. The Association shall, by way of explanation and not limitation, be responsible to maintain, keep attractive, keep in good repair and replace all of the Common Elements. The Association shall, also, be responsible for the repair, upkeep and maintenance of all roofs and foundations in respect to Improvements containing the Units or otherwise, and shall further be responsible for the maintenance, repair and replacement of any deck, patio, or stoop attached to any Unit. In the event the need for maintenance, repair or replacement which is the responsibility of the Association hereunder is caused through the willful or negligent act of an Owner, his or her family, guests, lessees, or invitees, then, the Association shall give the Owner written notice of the repair, replacement or maintenance work needed and an estimated cost to accomplish such repair, replacement or maintenance work. The Owner shall have fifteen (15) days within which to pay the Association such estimated costs, and in the event of a failure to pay, such costs shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Unit. Despite any provision herein contained to the contrary, the Association shall not be liable for injury or damage to any Person or property: (i) caused by the elements or by any Unit Owner or by any other Person; (ii) resulting from any rain, water, snow or ice which may leak or flow from any portion of the Common Elements; or, (iii) caused by the leaking, failure or disrepair of any pipe, plumbing, drain, conduit, appliance, equipment or utility lines or facilities, the responsibility for the maintenance of which belongs to the Association. In addition, the Association shall be responsible for the maintenance of sewer lines within the Units as

extended from each Unit to the main sewer line connecting to the Condominium Property.

(c) Failure to Maintain. If the Board of Directors of the Association determines that any Owner has failed or refused to discharge his or her obligations with regard to the maintenance, repair, upkeep or replacement of any items for which he or she is responsible hereunder, including, but not limited to, a failure to maintain, repair or replace a condition which may increase the possibility of fire or other loss or damage to the Condominium, then the Association (except no notice shall be required in an emergency situation in which case the Association may proceed immediately) shall provide the Unit Owner with written notice specifying the nature of the maintenance, repair or replacement and the estimated costs thereof with reasonable particularity. The Owner shall have fifteen (15) calendar days to complete any such repairs, maintenance or replacements; provided, however, the Unit Owner shall have more than fifteen (15) days if such performance cannot reasonably be completed within fifteen (15) days and the Unit Owner is diligently pursuing the completion. In the event the Owner fails, neglects or refuses to repair, maintain or replace any such items within fifteen (15) days after the receipt of the notice, then the Association, through its Board, shall have the right to cause the repairs, maintenance or replacements to be made, and the Unit Owner shall, within thirty (30) days after the completion of such work, reimburse the Association. In the event any such repair or replacements are to the Common Elements the Association shall complete all such work, and the Unit Owner responsible for such repairs, maintenance or replacements shall have thirty (30) days after demand is made to reimburse the Association. Any costs incurred by the Association under this Section shall be special assessments and shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Unit.

ARTICLE X

ASSOCIATION AND BYLAWS, ASSESSMENTS

10.1 General Information. The Association will administer the Condominium pursuant to the terms and conditions set forth in this Declaration and the Bylaws. The fiscal year of the Association shall be the calendar year. The Office of the Association shall be located at such location as the Board of Directors or the Managing Agent shall designate from time to time. The Association shall be required at all times to employ a Managing Agent. All Unit Owners, by virtue of their ownership of a Unit in the Condominium, are automatically mandatory Members of the Association and shall be entitled to vote on all matters upon which Members of the Association are entitled to vote, pursuant to this Declaration and in accordance with the Bylaws. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Subject to the provisions of the Condominium Documents, the Owner or Owners of each Unit shall be entitled to one (1) vote for such Unit in which the interest required for membership is held. Each Unit is allocated a vote equal in weight to each other Unit. Provided however, if a Unit Owner shall have, in the sole opinion of the Board, an unresolved financial delinquency with respect to the Association, such Owner's vote shall not be eligible and shall not be entitled to be cast or counted.

10.2 Meetings and Voting. Annual and Special Meetings of the Association, including all notice and quorum requirements and voting of the membership shall be set forth in the Bylaws.

10.3 Directors. During the Period of Declarant Control, the business of the Association shall be managed by a Board of Directors comprised of at least three (3) Directors who shall be appointed by the Declarant and shall serve without compensation. During the Period of Declarant Control, during which time fewer than seventy-five percent (75%) of Units have been conveyed, the Declarant shall have the power to appoint all Directors and Officers of the Association. The qualification, election, term, removal, resignation and replacement of each Board member shall be determined in accordance with the Bylaws. The Declarant may voluntarily surrender the right to appoint and remove officers and members of the Board before termination of the foregoing. In that event, the Declarant may require, during the Period of Declarant Control, that the actions of the Association or Board of Directors, as might be described in a recorded instrument executed by Declarant, be approved by the Declarant before they become effective. At end of the Period of Declarant Control, the membership of the Board shall always be comprised of five (5) Persons. Nothing in this section 10.3 or elsewhere in the Covenants is intended to discourage the solicitation of Owner input to the Declarant and the Board of Directors during the Period of Declarant Control.

10.4 Director's Meetings. Regular and Special Meetings of the Board of Directors, including the notice and quorum requirements and voting of the Board, shall be set forth in the Bylaws.

10.5 Powers and Duties of the Board of Directors. All of the powers and duties of the Association existing under the Act, the Declaration and the Bylaws shall be exercised by the Board of Directors, its duly appointed agents, contractors or employees, subject only to approval by the Unit Owners where specifically required. Compensation of employees of the Association shall be fixed by the Directors. A Director may be an employee of the Association and a contract for management of the Condominium may be entered into with a Director or the Declarant.

10.6 Officers. The executive officers of the Association shall consist of a President, who must also be a Director, a Vice-President, Treasurer, and Secretary. The Bylaws shall provide for: (i) the election of officers; (ii) the resignation; (iii) removal; (iv) vacancy; and (v) powers, duties and responsibilities of the officers of the Association.

10.7 Assessments.

(a) All Owners shall be obligated to pay the estimated assessments imposed by the Board of Directors of the Association to meet the Common Expenses. The Common Expenses of the Association shall be assessed among all of the Condominium Unit Owners in accordance with the Owner's share in the Common Elements or Limited Common Elements as set forth in Article III of this Declaration. Assessments for the estimated Common Expenses of the Association shall be due in advance of the first day of each calendar month or less frequently as may be determined by the Board of

Directors.

(b) Each Unit Owner's obligation of payment of assessments shall begin on the day which title to the Unit is transferred to such Unit Owner.

(c) In the event the ownership of a Condominium Unit, title to which is derived from Declarant, commences on a day other than the first day of the assessment period, the assessment for that period shall be prorated.

(d) Assessments shall be based upon the cash requirements deemed to be such aggregate sum as the Board of Directors of the Association shall from time to time determine and is to be paid by all of the Condominium Unit Owners to provide for the payment of all estimated expenses growing out of or connected with the maintenance, repair, operation, additions, alterations and improvements of and to the Common Elements and those Limited Common Elements which are the responsibility of the Association, and the Property and Improvements owned thereby, which sum may include, but shall not be limited to: management fees, expenses and liabilities incurred by the Managing Agent, taxes and special tax assessments (unless and until separately assessed), snow removal, road and sidewalk repair, premiums for insurance, landscaping and care of grounds, repair, maintenance and replacement of decks, patios and stoops, common lighting, repairs and renovation, trash and garbage collections, wages, common water and sewer charges, legal and accounting fees, management fees, expenses and liabilities incurred by the Managing Agent, if any, on behalf of the Unit Owners under or by reason of the Declaration or the Bylaws of the Association for the creation of a reasonable contingency, reserve, working capital and sinking funds as well as other costs and expenses relating to the Common Elements or Limited Common Elements which are the responsibility of the Association.

(e) Pursuant to the provisions of the Declaration and the Bylaws, the Board of Directors may levy assessments for the purpose of creating a reserve fund to defray the cost of repair or reconstruction of the Improvements in the event of their damage.

(f) The Association by its Board of Directors may levy a special assessment against any individual Unit or any Unit Owner for the reasonable expense incurred in the reconstruction or repair to the Common Elements, Limited Common Elements or the individual Unit for damage or destruction caused by the misconduct, negligence or infraction of the published rules and regulations of the Association by the Unit Owner or his guests, invitees.

(g) The omission or failure to fix the assessment or deliver or mail a statement for any period of time shall not be deemed a waiver, modification or release of the Owner's obligation to pay the same.

(h) The Board shall, pursuant to Section 76-844(c) of the Act, have the power and authority to assess any Common Expenses benefiting fewer than all of the Units exclusively against the Units benefited thereby as contemplated in the Act.

(i) The Association shall have all of the powers of the Association enumerated in the Act.

(j) Within thirty (30) days after adoption of any proposed budget for the Condominium, the Board of Directors shall provide a summary of the budget to all the Unit Owners, and shall set a date for a meeting of the Unit Owners to consider ratification of the budget, which date shall not be less than fourteen (14) no more than thirty (30) days after mailing of the summary. Unless at that meeting a majority of all the Unit Owners, reject the budget, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected, the periodic budget last ratified by the Unit Owners shall be continued until such time as the Unit Owners ratify a subsequent budget proposed by the Board of Directors.

10.8 Owner's Personal Obligation for Payment of Expenses. The amount of the Common Expenses assessed by the Association against each Condominium Unit shall be the personal and individual debt of the Owner thereof. No Owner may exempt themselves from liability for this contribution towards the Common Expenses by waiver of the use or enjoyment of any of the Common Elements, the real property and Improvements owned by the Association or by abandonment of their Unit. The Board of Directors shall have the responsibility to take prompt action to collect any unpaid assessments which remain unpaid for more than ten (10) days from the date for payment thereof. The failure to make payment of any assessments or installment thereof related to any Unit before the tenth (10th) day after the due date shall constitute a default and such Unit Owner shall: (a) pay a late charge of five (5%) percent on the outstanding balance; and (b) all amounts that are delinquent shall bear interest from the due date at a rate equal to sixteen (16%) percent per annum or the maximum interest rate allowed by law, whichever is less, and all costs and expenses incurred by the Board or its authorized representative in the collection of the amounts, including reasonable attorneys' fees and costs, shall be part of the assessment past due and the full assessment shall be a lien against such Unit. Suit to recover a money judgment for unpaid Common Expenses shall be maintainable without foreclosing the lien nor shall such suit be construed to be a waiver of the lien.

10.9 Association Lien for Non-Payment of Common Expenses.

(a) All sums assessed by the Association but unpaid for the share of Common Expenses chargeable to any Condominium Unit shall constitute a lien on such Unit superior to all other liens and encumbrances, except for (i) taxes and special assessment liens of the Condominium Unit in favor of any assessing entity, and (ii) all sums unpaid on an Eligible Mortgage of record, including all unpaid obligatory sums as may be provided by such encumbrances. To evidence such lien, the Board of Directors shall prepare a written notice of lien assessment setting forth the amount of such unpaid indebtedness, the amount of the accrued interest and late charges thereon, the name of the Owner of the Condominium Unit and a description of the Condominium Unit. Such notice of lien shall be signed by one of the members of the Association's Board of Directors or by one of the officers of the Association on behalf of the Association and shall be recorded in the Office of the Register of Deeds of Douglas County, Nebraska.

Such lien shall attach and be effective from the due date of the assessment until all sums, with interest and other charges thereon, shall have been fully paid.

(b) Such lien may be enforced by the foreclosure of the defaulting Owner's Condominium Unit by the Association in the manner of a deed of trust or mortgage on real property upon the recording of a notice of claim thereof. In any such proceedings, the Owner shall be required to pay the costs, expenses and attorney's fees incurred for filing the lien, and in the event of foreclosure, all additional costs, all expenses and reasonable attorney's fees incurred. The Owner of the Condominium Unit being foreclosed shall be required to pay the Association the monthly assessment for the Condominium Unit during the period of foreclosure, and the Association shall be entitled to a receiver during foreclosure. The Association shall have the power to bid on the Condominium Unit at foreclosure or other legal sale and to acquire and hold, lease, mortgage, vote the votes appurtenant to, convey and otherwise deal with the same.

(c) Any Qualified Lender holding a lien on a Condominium Unit may pay, but shall not be required to pay, any unpaid Common Expenses payable with respect to such Unit, and upon such payment, such Qualified Lender shall have a lien on such Unit for the amount paid of the same rank as the lien of its mortgage or encumbrance without the necessity of having to record a notice of claim of such lien. The Association shall report to the Qualified Lender of a Condominium Unit any assessments remaining unpaid for longer than sixty (60) days after the same are due; provided, however, that a Qualified Lender shall have furnished to the Association notice of its encumbrance.

(d) The recorded lien may be released by a Release of Lien signed by one of the members of the Association's Board of Directors or by one of the officers of the Association on behalf of the Association and recorded in the Office of the Register of Deeds of Douglas County, Nebraska.

(e) Notwithstanding any of the foregoing provisions, any Qualified Lender who obtains title to Condominium Unit pursuant to the remedies set forth in its mortgage or deed of trust shall take title to the Unit free and clear of all Common Expense assessments levied thereon prior to such transfer of title and free and clear of all liens created as a result of such assessments.

10.10 Ascertainment of Unpaid Common Expenses.

(a) The Unit Owners and their mortgagees, prospective mortgagees or prospective grantees, upon ten (10) days written notice to the Board of Directors and upon payment of a reasonable fee, shall be furnished a statement of their account. The statement of account shall include the amount of any unpaid Common Expenses, the amount of the current assessments, the dates that assessments are due, the amount for any advanced payments made, prepaid items such as insurance policy premiums and reserves therefor and any deficiencies in reserve accounts such statement shall be conclusive upon the Association in favor of all persons who rely therein in good faith. Unless such request shall be complied with within twenty (20) days after receipt of such written

request, all unpaid Common Expenses which become due prior to the date of such request will be subordinate to the rights of the Qualified Lender requesting such statement.

(b) The provisions set forth in this Section shall not apply to the initial sales and conveyances of the Condominium Units made by Declarant, and such sales shall be free from all unpaid Common Expenses to date of conveyance made or to a date as agreed upon by Declarant and Declarant's grantee.

10.11 Priorities of Association and Recreational and Maintenance Association Lien for Common Expenses. The Owner of a Condominium Unit may create junior deeds of trust or mortgages junior to the lien, deed of trust or other encumbrances of an Eligible Mortgage or other liens or encumbrances of the Condominium Unit; provided, however, that any such junior mortgage, deed of trust, lien or encumbrance will always be subordinate to the prior and paramount lien of the Association for Common Expenses, and subject to all of the terms, conditions, covenants, restrictions, uses, limitation and obligations under this Declaration and the Bylaws, and, provided, further, that the holder of any such junior encumbrance shall release its security interest in any Unit for the purposes of restoring any Improvements upon the encumbered Condominium Unit and all of the Unit Owner(s) rights, title and interest in and to the proceeds under all insurance policies upon said premises by the Association. Such release shall be furnished forthwith by a junior mortgagee upon written request of the Association, and if such request is not granted, such release may be executed by the Association as attorney-in-fact for such junior mortgagee.

10.12 Financial Statements. The Board of Directors of the Association may hire an accounting firm to prepare audited financial statements for each fiscal year, or may prepare or have prepared unaudited financial statements. The financial statement for the proceeding fiscal year shall be available to the holder, insurer, or guarantor of any mortgage that is secured by a Unit in the Condominium Project on submission of a written request therefore. The financial statements must be available within one hundred twenty (120) days of the Association's fiscal year end.

ARTICLE XI INSURANCE AND CONDEMNATION

11.1 Scope of Coverage. Commencing not later than the date of the first conveyance of a Unit to a Purchaser, the Association shall maintain, to the extent reasonably available, the following insurance coverage:

(a) Property insurance on the Common Elements, Limited Common Elements and Units, exclusive of any improvements and betterments installed in Units by the Owners thereof, and other than the original improvements and betterments installed or constructed within any Unit by the Declarant (which shall be covered by the Association's insurance), insuring against all risk of direct physical loss commonly insured against in an amount equal to the maximum insurable replacement value of the Common Elements, Limited Common Elements and Units, as determined by the Board of

Directors; provided, however, that the total amount of insurance after application of any deductibles shall not be less than one hundred percent (100%) of the current replacement cost of the insured property, exclusive of land, excavations, foundations and other items normally excluded from a property policy.

(b) Comprehensive general liability insurance, including medical payments insurance, in an amount determined by the Board of Directors, but not less than One Million Dollars (\$1,000,000.00) per injury or injuries, including death, arising out of a single occurrence, and Fifty Thousand Dollars (\$50,000.00) property damage; or, in the alternative, a liability policy affording coverage for bodily injury and property damage with a combined single limit in an amount not less than One Million Fifty Thousand Dollars (\$1,050,000.00). The policy or policies shall cover the Association, the Association's Board of Directors and the officers of the Association, committee members, all agents and employees of the Association and all Owners and other Persons entitled to occupy any Unit or other portion of the Condominium Unit for occurrences commonly insured against, arising out or in connection with the use, ownership or maintenance of the Common Elements, Limited Common Elements, or other portion of the Condominium which the Association has the responsibility to maintain and shall also include hired automobile and non-owned automobile coverage with cost liability endorsements to cover liabilities of the Owner.

(c) Fidelity bonds shall be obtained by the Managing Agent covering all employees and agents of the Managing Agent in an amount which shall exceed the actual funds to which the Managing Agent has access or an amount equal to three (3) months of assessments to all Units, whichever is greater. The Association may obtain fidelity bonding separate from that of the Managing Agent for any officers, directors, employees and agents of the Association having access to Association funds. Any fidelity bonds obtained must require that the Association be notified of any cancellation in coverage not less than ten (10) days prior to such cancellation being effective.

(d) Such other insurance as the Association shall determine from time to time to be appropriate to protect the Association or the Owners.

(e) The insurance policies purchased by the Association, to the extent reasonably available, shall contain the following provisions:

(i) Each Owner shall be an insured under the policy with respect to liability arising out of his ownership of an undivided interest in the Common Elements or their membership in the Association.

(ii) There shall be no subrogation with respect to the Association, its agents, servants, and employees, or with respect to the Owners and members of their household. Each party hereby waives, releases and discharges any right of subrogation against the other for any loss arising out of damage to or destruction of all or any portion of the Property or contents thereof when such loss is caused by any perils included within either party's insurance provisions.

(iii) No act or omission by any Owner, unless acting within the scope of their authority on behalf of the Association, shall void the policy or be a condition to recovery on the policy.

(iv) The coverage afforded by such policy shall not be brought into contribution or proration with any insurance which may be purchased separately by Owners or their mortgagees or beneficiaries under deeds of trust.

(v) A "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or other Owners.

(vi) Statement of the name of the insured as Village at Falcon Ridge Condominium Association, for the use and benefit of the individual Owners (designated by name if required by the insurer).

(vii) For policies of hazard insurance a standard mortgagee clause providing that the insurance carrier shall notify the Qualified Lender named in the policy at least ten (10) days in advance of the effective date of any reduction or cancellation of the policy.

(viii) "Agreed Amount" and "Inflation Guard" endorsements.

It shall be the duty of the Board at least annually to conduct an insurance review to determine if the policy enforced is adequate to meet the need of the Association and to satisfy the requirement of this Declaration and the Act. Such responsibility may be performed and shall be deemed reasonably performed, by the Board's Managing Agent requesting the Association's insurance agent to verify that the insurance policies in existence meet the needs of the Association as set forth herein and satisfies the requirements of this Declaration and the Act. In all events, each Owner shall have the right to obtain additional coverage for such improvements, or betterments or personal property within the Unit as its own expense. Each policy may contain reasonable deductibles and the amount thereof shall be added to the face amount of the policies in determining whether the insurance equals at least full replacement cost.

11.2 Certificate of Insurance. An insurer that has issued an insurance policy under this Article shall issue certificates or a memorandum of insurance to the Association and, upon request, to any Owner, mortgagee or beneficiary under a deed of trust. Any insurance obtained pursuant to this Article may not be canceled until thirty (30) days after notice of the proposed cancellation has been mailed to the Association, each Owner and each Qualified Lender who is listed as a scheduled holder of a Eligible Mortgage in the insurance policy.

11.3 Payment of Premiums. Premiums for all insurance obtained by the Association pursuant to this Article shall be Common Expenses and shall be paid for by the Association.

11.4 Insurance Obtained by Owners. The issuance of insurance policies to the

Association pursuant to this Article shall not prevent an Owner from obtaining insurance for their own benefit and at their own expense covering their Unit, personal property and providing personal liability coverage.

11.5 Payment of Insurance Proceeds. Any loss covered by property insurance obtained by the Association in accordance with this Article shall be adjusted with the Association and the insurance proceeds shall be payable to the Association and not to any mortgagee or beneficiary under a deed of trust. The Association is empowered to act as attorney-in-fact to conduct any negotiation, settlement or pursuit of insurance proceeds on behalf of the Owners. The Association shall hold any insurance proceeds in trust for Owners and lienholders as their interests may appear. Subject to the provisions of Section 11.6 and 11.7 of this Article, the proceeds shall be disbursed for the repair or restoration of the damage to Common Elements, Limited Common Elements and Units. Owners and lienholders shall not be entitled to receive payment of any portion of the proceeds unless there is a surplus of record after the Common Elements, Limited Common Elements and Units have been completely repaired or restored, or the Declaration terminated.

11.6 Use of Insurance Proceeds. In the case of fire or any other casualty, the insurance proceeds, if sufficient to reconstruct any Improvements so damaged or destroyed, shall be applied to such reconstruction. Reconstruction of the Improvements, as used herein, means restoring the insured Improvements to substantially the same condition in which it existed prior to the fire or other disaster, with each Unit and the Common Elements having the same vertical and horizontal boundaries as before.

11.7 Procedure where Insurance Proceeds are Insufficient. In case of fire or other casualty, if the insurance proceeds are insufficient to reconstruct the Improvements and the Condominium Unit Owners and all other parties in interest do not voluntarily make provision for reconstruction of the Improvements within 180 days from the date of damage or destruction, the Association may record a notice setting forth such facts; and upon the recording of such notice:

(a) The Property shall be deemed to be owned as tenants-in-common by the Condominium Unit Owners;

(b) The undivided interest in the Property owned in common of each Condominium Unit Owner shall be the percentage of undivided interest previously owned by such Unit Owner in the Common Elements.

(c) Any liens affecting any of the Condominium Units shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Condominium Unit Owner in the Property as provided herein; and

(d) The Property shall be subject to an action for partition at the suit of any Condominium Unit Owner, in which event the net proceeds of such sale, together with the net proceeds of the insurance on the Property, if any, shall be considered as one fund, and shall be divided among all the Condominium Unit Owners in a percentage equal to the percentage of undivided interest owned by each Unit Owner in the Property, but only

after first paying out of the respective share of each Condominium Unit Owners, (to the extent sufficient for the purpose) all liens on the undivided interest in the Property owned by such Condominium Unit Owner.

11.8 Insurance Deductibles. If maintenance is required as a result of an insured loss, the amount of the deductible shall be considered a maintenance expense to be paid by the Person or Persons who would be responsible for such repair in the absence of insurance. If the loss affects more than one (1) Unit, or a Unit and Common Elements, the cost of the deductible may be apportioned equally by the Board of Directors among the parties suffering loss in accordance with the total cost of repair.

11.9 Condemnation. The Association shall represent the Unit Owners in any condemnation proceedings or in negotiations, settlements, and agreements with the condemning authority for acquisition of the Common Elements, or any part thereof, by the condemning authority. The Association is empowered to act as attorney-in-fact for the Owners for such purposes. In the event of a taking or acquisition of a part or all of the Common Elements by a condemning authority, the award or proceeds of a settlement shall be payable to the Owners Association to be held in trust for Unit Owners and the holders of Eligible Mortgages as their interest may appear.

11.10 Settlement as Proceeds. For the purposes of this Article XI, the proceeds of any insurance settlement shall be deemed as insurance proceeds. The proceeds of any sale of any part of the Condominium Project made under threat of condemnation shall be deemed as condemnation proceeds.

ARTICLE XII MORTGAGES

12.1 Requirements.

(a) Any mortgage or other lien on a Unit and the obligations secured thereby shall be deemed to provide, generally, that the mortgage or other lien instrument and the rights and obligations of the parties thereto shall be subject to the terms and conditions of the Act and this Declaration and shall be deemed to provide specifically, but without limitation, that the mortgagee or lien holder shall have no right (i) to participate in the adjustment of losses with insurers or in the decision as to whether or not, how to repair or restore damage to or destruction of the Property, or (ii) to receive or apply the proceeds of insurance to the reduction of the mortgage debt or otherwise, except in the event and to the extent either of a distribution of such proceeds to Unit Owners pursuant to Section 76-871 of the Act or of insurance proceeds in excess of the cost of repair or restoration being received by the Owner of the Unit encumbered by such mortgage; or (iii) to accelerate the mortgage debt or to have any other remedies by virtue of waste or alleged waste or other conditions occurring anywhere on the Property other than within the affected Unit, and the obligation secured shall be pre-payable, without penalty, upon the happening of any termination of the Condominium or determination not to restore or replace the affected Unit. Nothing contained in Section 12.1(a) hereinabove or elsewhere

in this Declaration shall give a Unit Owner, or any other party, priority over any rights of the mortgagee of a Unit pursuant to its mortgage in case of a distribution to such Unit Owner of insurance proceeds or condemnation awards for loss to or a taking of one or more Units and/or Common Elements.

(b) No Unit Owner or purchaser of a Unit shall deliver any mortgage or other lien instrument secured by a Unit, or any obligation to be secured thereby, unless it has first notified the Board of the name and address of the proposed mortgagee or lien holder, the amount of the debt proposed to be so secured, and has submitted to the Board a copy of the form of the proposed mortgage and note or other instrument of obligation. When a mortgage other than (i) a first mortgage or (ii) a junior mortgage to the Declarant or Seller of a Unit is delivered to the Board, the Board shall promptly notify the proposed mortgagee whether such mortgagee has been approved by the Board as a Qualified Lender.

12.2 Qualified Lenders.

(a) When a mortgage is delivered to a Qualified Lender or other lien holder, the Unit Owner shall simultaneously provide executed or conformed copies to the Board. Upon receipt of such copy of a mortgage or other lien, the Secretary of the Board may, at its option, instruct the insurer of the property to add the name of the Qualified Lender to the mortgagee loss payable provision of the hazard insurance policy covering the property and to provide such Qualified Lender with a Certificate of Insurance showing that the Qualified Lender's name has been so added.

(b) The Secretary shall maintain a register of Qualified Lender showing the names and addresses of the Qualified Lender, the amount secured by each Qualified Lender, and whether such amount secured is a first mortgage.

12.3 Rights of Qualified Lenders.

(a) Upon the specific written request of a holder of an Eligible Mortgage on a Unit or its servicer to the Board, the mortgagee shall be entitled to receive some or all of the following as designated in the request;

(i) Copies of budgets, notices of assessment, or any other notices or statements provided under this Declaration by the Board to the Owner of the Unit covered by the mortgage;

(ii) Any audited or unaudited financial statements of the Board which are prepared for the Board and distributed to the Unit Owners. The holder of any mortgage on a Unit shall be entitled to obtain an audited statement at its own expense, if one is not otherwise available;

(iii) Copies of notices of meetings of the Unit Owners and the right to be represented at any such meetings by a designated representative;

(iv) Notice of substantial damage to or destruction of any Unit (in excess of \$1,000) or any part of the Common Elements (in excess of \$10,000);

(v) Notice of the commencement of any condemnation or eminent domain proceedings with respect to any part of the Property;

(vi) Notice of any default of the Owner of the Unit which is subject to the mortgage, where such default is not cured by the Unit Owner within sixty (60) days;

(vii) Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

(viii) Notice of any decision by the Executive Board to terminate professional management and assume self-management of the Property;

(ix) Any condemnation or casualty loss that affects either a material part of the Condominium or the Unit securing the Qualified Lender's mortgage;

(x) Such other financial data as such Qualified Lender shall reasonably request; or

(xi) Any proposed action which would require the consent of a specified percentage of first mortgagees as set forth in Section 12.4, below.

(b) The request of a Qualified Lender or its servicer shall specify which of the above items it desires to receive and shall indicate the address to which any notices or documents shall be sent by the Board. The Board need not inquire into the validity of any request made hereunder by a Qualified Lender. The Board may refuse to honor any request where, after reasonable inquiry, it shall determine that the person making such request is not entitled to the material so requested and may establish reasonable rules to implement this Section 12.3(b).

(c) Failure to comply with the requirements set forth above shall in no way invalidate the otherwise proper actions of the Association and the Board.

(d) Any Qualified Lender shall have the right, exercisable upon written request to the Board, to examine the books and records of the Association at any reasonable time and with the payment of a reasonable fee established by the Board from time to time.

(e) Any reconstruction of the Condominium following damage by an insurable hazard or by condemnation shall be in accordance with the original Plan for the Condominium, unless deviation from such Plan is approved by the holders of at least fifty-one percent (51%) of Eligible Mortgages.

(f) Any election to terminate the Condominium Regime after substantial destruction or substantial taking of the Condominium shall be subject to approval by at least fifty-one percent (51%) of holders of Eligible Mortgages.

ARTICLE XIII MISCELLANEOUS PROVISIONS

13.1 Effective Covenants. Each Purchaser and each grantee of Declarant, its successors and assigns, by the acceptance of a deed of conveyance, each Purchaser, accept the conveyed Property subject to all restrictions, conditions, covenants, reservations, options, liens and charges, and the jurisdiction, rights and powers granted or reserved by this Declaration or to which this Declaration is subject, and all rights, benefits and privileges of every character hereby granted, created, reserved or declared and all impositions and obligations hereby imposed shall be deemed and taken to be covenants running with the land and shall bind any Person having at any time any interest of estate in said Property, and shall inure to the benefit of such Condominium Unit Owner in like manner as though the provisions, terms and restrictions of this Declaration were received and stipulated at length in each and every deed of conveyance.

13.2 Waiver. No covenant, restriction, condition or provision of this Declaration or in the Bylaws shall be deemed to have been abrogated or waived by reason on any failure to enforce the same at any time, irrespective of the number of violations or breaches which may occur.

13.3 Savings Clause. The invalidity of any covenant, restriction, condition, limitation or any other provision of this Declaration herein contained, as the case may be, shall not render the remainder of the Declaration invalid, nor any other part therein contained.

13.4 Controlling Instrument. In the event of a conflict between the provisions of this Declaration and the Bylaws, this Declaration shall prevail except to the extent that this Declaration is inconsistent with the Act.

ARTICLE XIV AMENDMENT AND TERMINATION

ARTICLE XV DECLARANT RIGHTS

15.1 Development Activities. During the Period of Declarant Control, notwithstanding any provision herein to the contrary, the Declarant shall have the following rights and privileges, which are hereby reserved only to itself and to its successors and assigns and their respective agents:

(a) To create additional Units, Common Elements, Limited Common Elements within all or any part of the Condominium identified as the Additional Units, which Additional Units may be designated on the Plat/Plan as Additional Units or as "Reserved" or "Reserved for Future Development"; and to add property to the Condominium, provided, however, that the maximum number of Units which the Declarant reserves the right to create shall not exceed one hundred sixty (160) Units. Upon the addition of any Units to the Condominium, the Allocated Interests shall be reallocated among all units pursuant to the terms of this Declaration and the formula set forth herein.

(b) To exercise any Special Declarant Rights provided for under the Act.

(c) To erect and maintain on the Common Elements, advertising signs, sales flags or other sales devices and banners for the purpose of aiding the sale of Units in the Condominium, and to maintain sales and business offices in at least one Unit or in any Common Element or building in this Condominium to facilitate the completion of construction of the Improvements comprising this Condominium, apartments and homes now or hereafter constructed within said development and sale of the Units therein contained.

(e) To maintain on the Common Areas tractors, portable toilets, and other items necessary for the construction of the Improvements.

The consent of Unit Owners and mortgage holders within the Condominium shall not be required for the exercise of any of the foregoing Development Rights, and the Declarant may proceed with the exercise of such Development Rights at its sole option and its sole discretion. The option reserved to (i) relocate the boundaries of any Unit or Units, and (ii) further subdivide any one or more of the Units into additional Units, Common Elements or both, shall be exercisable by the Declarant, its successors and assigns, who shall have the unilateral right to reallocate percentages of undivided interests in the Common Elements, liability for payment of Common Expenses, allocation of Limited Common Elements, and allocation of votes in the Association, as to be done in accordance with this Declaration and the Act. The Declarant shall exercise this option by its adoption, execution or recordation of an Amendment to this Declaration by recording such certificates and plans as required by the Act. Such amendment shall be adopted by the Declarant pursuant to the terms hereof without the consent of any Unit Owners. From time to time, as the Declarant shall file permitted amendments to this Declaration, each then Owner and each Person or entity thereafter becoming an Owner and its successors in title shall, upon the reallocation of such Common Elements or Limited Common Elements automatically be vested with his or her appropriate Allocated Interest and be vested with his or her appropriate undivided percentage interest in such Common Elements and Limited Common Elements.

15.2 Permanent Access and Utility Easement. The Declarant reserves unto itself, its successors and assigns, a permanent easement for ingress, egress and utility purposes to any adjacent properties now or hereafter owned by Declarant, its successors and assigns as shown on the Plat and Plans.

15.3 Special Amendment. In addition to any other method of amending this Declaration provided for elsewhere herein, the Declarant reserves the right and power to record a special amendment ("Special Amendment") to this Declaration at any time and from time to time which amends this Declaration: (i) to comply with requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Department of Housing and Urban Development, the Federal Housing Association, the Veteran's Administration, or any other governmental agency or any

other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities, (ii) to induce any of such agencies or entities to make, purchase, sell, insure, or guarantee first mortgages covering Units, (iii) to bring this Declaration into compliance with the Act, or (iv) to correct clerical or typographical errors in this Declaration or any exhibit hereto or any supplement or amendment thereto. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Declarant to make or consent to a Special Amendment on behalf of each Owner and mortgage holder. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting a Unit and the acceptance thereof shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of, the power to the Declarant to make, execute and record Special Amendments. The reserved rights of the Declarant under this Article XV shall terminate three (3) years from the date of recording of the Declaration.

15.4 Phasing and Expansion. The Declarant may construct or cause to be constructed the Improvements in the Condominium, including the construction of Units, in multiple phases. Such phases are set forth in the Plans. The construction of Units in additional phases, and the allocation of voting rights and rights to the Common Elements associated with such Units to be constructed in later phases are contemplated, allowed and governed by this Declaration.
